

The floor plan shows the layout of the Afdeling Diagnostiek. The top section contains administrative and support rooms: KANTOOR, FACILITAIRE DIENST, LESLOKAAL, and two VERT projectie- and praktijkruimtes. The bottom section contains specialized diagnostic rooms: A0-02a and A0-02b (Bucky), A0-02 (BEDIENING), A0-04 (Computerlokaal), A0-06 (CT scanner), A0-08 (Computerlokaal), and A0-08a (Gamma camera). A central corridor provides access to all rooms, with stairs and a lift located on the left side. A scale bar at the bottom right indicates 4 meters.
