

System trade-in information

Hospital

Hospital name	Hogeschool Inholland
City	Haarlem
Country	Nederland
Estimated date/month of de-installation	augustus 2024

System type and software

Manufacturer	Samsung (lokaal A0.02b)
Model & type	XGEO GC80
System serial number	508SM3FF700001K
Year of manufacture	2014 (date install)
Software level	
Options	

X-ray generation

Generator type	CMP 200 DR
Generator power	80KW
Generator serial number	CPD18471F14
Tube type	Toshiba E7869x
Date of last tube change	17 November 2021
Tube serial number	11M224

Detectors

Detector information #1:	Samsung 17x17 inch 140 microm
Year of manufacture	2014
Detector type	SDR-S4343W
Detector serial number	KR14MI9002026ADWCYF580005
Detector information #2:	Dummy detector
Year of manufacture	2014
Detector type	X
Detector serial number	X
Detector information #3	X
Year of manufacture	X
Detector type	X
Detector serial number	X

System condition

System purchased as	☒ New ☐ Refurbished ☐ Pre-Owned
System is in Good Working Order	☒ Yes ☐ No
