5. This Framework Agreement lays down the conditions that apply to all Further Agreements for the performance of Services that the Contracting Authority intends to award during the term of this Framework Agreement.

AGREE AS FOLLOWS:

A number of terms in this Framework Agreement are written with initial capitals. These terms are defined in article 1 of the General Government Terms and Conditions for Public Service Contracts

2018 (ARVODI 2018) or in the Tender Document. In derogation therefrom or in addition thereto, the following terms are defined as follows for the purposes of this Framework Agreement:

Tender Document: the Contracting Authority's document dated 10 April 2024, with reference number 202312031, which describes and explains participation in the Framework Agreement for the performance of Services during a certain period, the tender procedure to be followed and the selection and award criteria.

Services: the work that the Contractor is to perform for the Contracting Authority under the terms of a Further Agreement concluded on the basis of this Framework Agreement in the area of **lot 1/lot 2/lot 3** as defined in the tender documentation.

Tender: the tender dated **xx May 2024**, submitted by the Contractor on the basis of the Tender Document in the context of the EU contract award procedure dated 10 April 2024.

Further Agreement: the Contract between the Contracting Authority and the Contractor in accordance with the Request for Quotation of which the Contracting Authority may award the Contractor contracts for the performance of Services during the term of this Framework Agreement.

Quotation: an offer to perform Services submitted by the Contractor to the Contracting Authority in response to a Request for Quotation under this Framework Agreement.

Request for Quotation: an invitation by the Contracting Authority under this Framework Agreement to the Contractor to submit a Quotation for a public service contract.

Framework Contractor: a tenderer selected to be Party to the Framework Agreement relating to the performance of Services in the area of **lot 1/lot 2/lot 3** as defined in the tender documentation.

1. Object of the Framework Agreement

- 1.1 During the term of this Framework Agreement the Contracting Authority may issue Requests for Quotations for Further Agreements to perform Services. In response to the Request for Quotations, the Contractor must submit a Quotation that is not less favourable than the Tender submitted by the Contractor. If the Further Agreement referred to in the Request for Quotations is awarded by the Contracting Authority to the Contractor on the basis of the award criteria for the further award stipulated in the Tender Document, the Contractor must perform that Further Agreement in accordance with the conditions of this Framework Agreement. To this end, the Contractor must in that case conclude a Further Agreement with the Contracting Authority.
- 1.2 The following documents are an integral part of this Framework Agreement. In the event of inconsistencies, a higher ranked document takes precedence over a lower ranked document:
 1. this document including schedules;
 2. the Memorandum of Information, **13 May 2024**;
 3. the Data Processing Agreement (DPA);
 4. the Tender Document;
 4. the General Government Terms and Conditions ARVODI-2018;
 5. the Tender issued by the Contractor to the Contracting Authority on **xx May 2024**.
- 1.3 The Contracting Authority is entitled but not obliged to award contracts for the performance of Services during the term of this Framework Agreement. The Contractor cannot therefore claim any right whatsoever to be awarded contracts for the performance of Services during the term of this Framework Agreement.
- 1.4 The terms of this Framework Agreement apply in full to all Further Agreements concluded during the term of this Framework Agreement between the Contracting Authority and the

Contractor concerning contracts for the performance of Services specified in a Request for Quotations, unless a Further Agreement expressly departs from this Framework Agreement.

- 1.5 A Further Agreement states the specific Services to which it relates and its duration.

2. Duration of the Framework Agreement

- 2.1 This Framework Agreement enters into force on **1 August 2024** and has an initial contract period of one (1) year with a maximum of two (2) options to extend this Framework Agreement with two (2) years, to be exercised unilaterally by the Contracting Authority, under the same conditions. The total duration of the Framework Agreement is therefore maximum of five (5) years, including the two options for extension.

Extension of this Framework Agreement will take place if the Contracting authority is:

- satisfied about the delivery of the contracted experts in the team, and
- confident that the goals of each lot will be met during the remainder of the project, and
- no other unforeseen events have taken place on which grounds Contracting authority has to decide not to exercise its option to extend the Framework Agreement.

If the Contracting Authority does not wish to make use of the extension options, he will notify the Contractor in writing one (1) month before the expiry of the initial contract period (e.g. at the latest **30 June 2025**) and/or the expiry of the first extension period (e.g. **30 June 2027**). If the Contracting Authority does not exercise its options to extend the Framework Agreement, it will end automatically upon expiry of the term referred to in the first sentence of this article.

- 2.2 Termination of this Framework Agreement for whatever reason does not affect rights and obligations resulting from Further Agreements. The terms of this Framework Agreement continue to apply to any Further Agreements remaining in force after this Framework Agreement has ended.
- 2.3 The duration of any Further Agreements awarded to the Contractor under this Framework Agreement will be stipulated in the individual Further Agreements for each Contract for the performance of Services.
- 2.4 Contracting Authority is entitled to terminate this framework agreement prematurely as soon as the maximum value and/or amount of the contract for **lot 1/lot 2/lot 3** is reached, without any further compensation. Contracting Authority shall inform Contractor as soon as possible if and when he wants to invoke this right and he will observe a reasonable notice period.
- 2.5 If, for any reason, this assignment cannot be completed within the specified duration in article 2.1, Contracting Authority has the option to extend this Framework Agreement by the time necessary to complete the project. If this is the case, this extension has to be executed within the maximum budgets per lot as mentioned in section 2.9 of the Tender Document and article 4.1 of this Framework Agreement.

3. Awarding further agreements

- 3.1 The Contractor must submit a Quotation, having regard to the provisions of this Framework Agreement, within the number of working days as stated in the Request for Quotation. The Contracting Authority will not be required to pay to obtain a Quotation.
- 3.2 The Quotation, including the fee, must comply with and may not be less favourable than the Tender submitted.

4. Price and other financial provisions

- 4.1 The maximum value/amount of the Framework Agreement is as follows:
- lot 1: 622, EUR excluding VAT;
 - lot 2: 550,500 EUR excluding VAT;

- 4.2 The Contracting Authority is entitled to terminate the Contract per lot prematurely as soon as the maximum value of the Contract for that particular lot is reached, without any further compensation. Contracting Authority shall inform Contractor as soon as possible if and when he wants to invoke this right and he will observe a reasonable notice period.
- 4.3 The Contractor may invoice in accordance with the arrangements in the Further Agreement. The invoice amount is based on the number of days/hours per month actually worked and the daily/hourly rate stipulated in the Further Agreement. All Further Agreements will state that the Contractor guarantees that the maximum total price referred to in the Further Agreement for the performance of the Services will not be exceeded.
- 4.4 It is expressly agreed that if the Contractor does not charge VAT but some or all of the Services are not exempt from VAT, the Contracting Authority will not be liable to pay the VAT in question.
- 4.5 The rates referred to in article 4.6 of this Framework Agreement must be in euros and be all inclusive. In any event, they must include all of the following: wage costs, overheads (e.g. accommodation and wage costs for support staff), costs relating to the usage of equipment and machinery during the assignment, insurance costs, any applicable costs for e-invoicing, costs related to visa applications (except costs payable to a foreign Embassy for visa application), and local travel and local accommodation expenses. "Local" is in this case the city where the expert is based. They do not include VAT.

In case your company is not located in Algeria, you may, when carrying out assignments in Algeria, invoice local expenses according to the flat rates on the UN-DSA list. Accommodation and local travel expenses may be invoiced at the applicable Daily Subsistence Allowance (DSA) flat rates published by the International Civil Service Commission of the UN (<https://icsc.un.org/>). This list is updated on a regular basis.

In case your company is located in Algeria you can only invoice the above mentioned UN-DSA, when travelling to one of the cities of the programme your company is NOT located in, after approval of the CBI Programme Manager. The costs for travelling within your own city must be included in your daily rate.

- 4.6 The agreed maximum or other rates are fixed and invariable for the duration of this Framework Agreement and Further Agreements concluded on the basis of this Framework Agreement.

These meetings will be convened by the Contracting Authority once per quarter or as often as necessary to assess how the collaboration within the project is progressing. Initially, a warning will be issued if one or more experts are not performing well or are not collaborating effectively with third parties. If the collaboration does not improve as agreed, a second (final) warning will follow. If this also does not lead to improvement or if collaboration problems persist or there are issues in the execution of a sub-assignment Contracting Authority has the right to replace the relevant expert.
The remaining experts (of lot 1 and 2) will jointly propose a replacement for the underperforming expert, unless the underperforming expert belongs to a company which can propose a replacement first. Before this replacement can be made, it must be approved by the Contracting Authority.

7. Other Terms and Conditions

- 7.1 This Framework Agreement and a Contract for the performance of Services in accordance with a Further Agreement are governed exclusively by the ARVODI 2018 (already in the Parties' possession), in so far as this Framework Agreement does not depart therefrom. Any general and special terms and conditions drawn up by the Contractor do not apply.
- 7.2 In addition to article 21 of the ARVODI 2018, the Contractor indemnifies the Contracting Authority against any claims for damages brought by third parties as a result of its failure to

It undertakes not to do so in the future with a view to inducing any members of the Contracting Authority's Staff to perform or refrain from performing any act.
