This detailed site plan illustrates the layout of the Westhage Moerkapelle cemetery. The plan is oriented with a light blue water feature, labeled 'Zwanenwater', running along the bottom and left edges. The cemetery is enclosed by a dark green boundary, with a red dashed line indicating the perimeter. The interior is divided into several sections by grey paths, labeled 'Wegvakonderdelen'. The main sections are filled with green, representing 'Grassen' (grass), and are bordered by dark green areas, representing 'Beplantingen' (plantings). Yellow dots, representing 'Bomen' (trees), are scattered throughout the plan, particularly along the perimeter and within the grassy areas. The plan also shows 'Parkverhardingen' (park paving) in grey hatched areas. To the right of the cemetery, a residential area is visible, with houses numbered 1 through 95.
