Title: Market orientation in connection with proposed European tender(s) for Displays and Laptops and fixed ICT workstations

Description: With this market orientation we want to receive a reaction from your organization regarding the design of the proposed European tender(s) for Displays, Laptops and Fixed ICT workstations. Partly based on the outcome of this orientation, we will determine whether or how the mentioned products will be tendered. This document will also be published via Tendered. We aim to choose a procurement approach that leads to the most efficient and effective acquisition of the products and services in question. In this connection, it is important to regularly evaluate whether the previously chosen approach and strategies are still sufficiently appropriate and future-proof. Not applicable
