Question	Chapter/ Paragraph from the Tender Document	Question	Answer
1.	Tender document, section 4.3.2	Does the potential supplier need to demonstrate experience for 'Key competence 1' in both Sub-Saharan Africa and Southeast Asia, or would experience in just one of the regions suffice?	Experience in both regions is necessary because key competence 1 says: "(...) in Sub-Saharan African <i>and</i> Southeast Asian countries (....)." If Tenderer is not capable itself to meet this key competence, it can rely on a subcontractor. This subcontractor can only be used as reference assignment if the subcontractor will be involved in the fulfilment of the contract and if tenderer can and will make use of the knowledge and experience of the subcontractor in question during the fulfilment of the assignment (also see section 4.3.2. of the Tender Document).
