

Enclosure 4 Third-party declaration on resources and/or capacities
part of the European public tender Liability reinsurance City of Amsterdam

If an independent Tenderer relies on one or more Third Parties for the Tender, this declaration must on request be completed and legally signed by the Third Party concerned and an extract from the Trade Register must be enclosed.

The undersigned (name Third Party):.....

having its registered office in.....

declares that (name independent Tenderer)

.....

(hereinafter “Contractor”)

relies on the resources and/or capacities of the undersigned with respect to the selection criteria stated in the Self-declaration. In case of the contract being awarded, Contractor will have free access to the resources and/or capacities necessary to meet the selection criteria on their first request.

If reliance on their annual figures is requested in order to meet the financial capacity requirement, the undersigned hereby accepts joint and several liability for compliance with the obligations of the Contractor arising from the reinsurance contract to be effected within the scope of this tender.

Completed truthfully and legally signed,
