2. Procedure

2.1 Procedure

Title:	Market Exploration for Server and Storage Equipment
Description:	TiU currently purchases Server and Storage equipment through a supplier (via a framework agreement). TiU intends to launch a new tender process in the near future to be able to purchase this equipment under a new contract starting in the spring of 2025. In preparation to the tender, TiU aims to gather relevant and interesting knowledge about the market. We value the input from suppliers reflecting on this market exploration, as this helps us to better define our direction, more sharply define the requirements, and thus issue a higher-quality tender to the market.
