5.1.15 Techniques

Framework agreement:
Framework agreement, without reopening of competition

Maximum number of participants: 1

Justification for the duration of the framework agreement: The Contracting Authority applies a maximum Contract Period of 60 months because this is the duration of the CBI project in Morocco. It is essential for a successful execution of the project that the CPM's have a stable labour relation during the project and that they can depend on the Contractor as their employer. A change of Contractor during the life of the project is therefore undesirable.

Information about the dynamic purchasing system:
None
