1. Buyer

1.1 Buyer

Official name:	Stedin
Activity of the contracting entity:	Production, transport or distribution of gas or heat

1.1 Buyer

Official name:	Enexis Netbeheer B.V.
Activity of the contracting entity:	Electricity-related activities

1.1 Buyer

Official name:	Alliander N.V.
Activity of the contracting entity:	Electricity-related activities

2. Procedure

2.1 Procedure

Title:	DSMR6 Public Key Infrastructure (PKI)
Description:	This tender concerns the PKI for a new smart metering concept (DSMR6). This new concept has been developed in cooperation with the major Dutch grid operators and introduces a number of new technical solutions for the Dutch market. The most prominent is the modular structure of the meter, where (tele) communication and data processing are no longer part of the electricity meter. These functions are performed by the replaceable gateway, which provides flexibility in both hardware and software to reduce the risk of premature replacement. It also introduces a completely new interface with the consumer. More background information can be found in the selection guide.
Procedure identifier:	d4f57672-e41f-40cd-982b-ecd3e15de0be
Internal identifier:	DSMR6 PKI
Type of procedure:	Negotiated with prior publication of a call for competition / competitive with negotiation
Main features of the procedure:	See selection guide.
