

MEMORANDUM

Subject	TC-3: Additional clarification SCF role Coral Relocation
Project	Black Rocks Harbor Saba
Project code	118421
Date	18 March 2024

1 SCF ROLE CORAL RELOCATION

The Saba Conservation Foundation (SCF) has indicated that it will make staff available from Q3/Q4 2024 to perform (parts of) the coral relocation works. It is our preference that the Tenderer reaches out to SCF and considers this as the primary option for coral relocation works, with additional resources where required, as determined by the Tenderer.

The SCF can be reached via:
