What is the intended start date of the contract?

Indicatively, the starting date of the Contract is 1 July 2025. By that time, IDH expects that the year-end audit for 2024 will be finalized. From that moment on, the current and the new auditor shall start up hand-over activities. The new auditor shall be fully on-boarded by October 2025, when the interim audit is expected to kick-off.

Please note that, in reference to and in addition to Chapters 1, 4.2 and 10 of the Selection Guidelines, IDH reserves the right to adjust or update the timeline if deemed necessary.

For more information on the tender procedure schedule and the starting date of the Contract, please also refer to Chapter 4.2 of the Selection Guidelines and the Information Notice, published on 16 August.
