2. Procedure

2.1 Procedure

Title:	Full text digitization
Description:	The assignment includes data conversion within the digitization process of KB's and other entities' primary information resources, and pertains to full text digitization of Dutch publications (titles). At present, the KB is mainly having Dutch books and periodicals digitized that are published after the year 1800. Source files before 1800 are usually more difficult to convert due to the poorer quality of the files, owing to the script and characters. This material requires the Contracting Party to adopt a different approach and often involves manual processing or finishing. The value of the Framework Agremeent is max $1.030.000
