Vraag en antwoord

Ref.nr. **Onderwerp:**
1 Answer the questions in Part IIIC "grounds relating to insolvency, conflicts of interest, or professional misconduct.

Vraag:

The answers to the questions in the legal descriptions should always be "No." The follow-up questions state: "By answering 'Yes,' you indicate that this exclusion ground does not apply to you and that you meet this requirement." We believe this is incorrect. May we answer all questions with "No" and leave the explanations blank? Or is this an error in the UEA form, and will we receive a new version?

Antwoord:

The wording in the European Single Procurement Document (ESPD/UEA) is correctly formulated. The explanation in the UEA states that by answering "Yes," you confirm that the respective exclusion ground does not apply to you and that you meet the requirement.

No revised version of the UEA will be provided. We request that you complete the form in accordance with the given instructions.

Vraag:

Annex 6 provides the "Format for proving reference statements" and states the following: "The description must contain all aspects as stated in the relevant Criterion in the Selection Guide".

Q2): Could you please specify what the "relevant Criterion" refers to in the context of Annex 6?

Antwoord:

Answer to Q1: Correct. The term "Selection Guide" refers to the Invitation to Tender document (InvitationToTender_ATC-NL-LCW ITT Flight Inspection Services 2025.pdf).

Answer to Q2: The 'relevant criterion' mentioned in Annex 6 refers to the criteria specified in the Invitation to Tender document, specifically in paragraph 4.1.1, 4.1.2, and 4.1.3.
