Title:	High Mobile Sanitary Systems
Description:	The Contract involves the delivery of High Mobile Sanitary Systems and an Agreement for maintenance for a period of 15 years. Soldiers are deployed in primitive circumstances on a regular basis, both during training and operations. Providing sanitation is essential during these circumstances to maintain hygiene and minimize the loss of combat power. The sanitation units to be procured in this project are intended for the deployment level 'Limited' and 'Limited Plus'. When the operational situation allows it, the sanitation units will be made available in the field ('Limited' level). The units need to be set-up and ready to use in a short amount of time. Afterward they also need to be quickly disassembled. In the level 'Limited Plus' the units will be used during a longer period of time on a permanent location (semi-permanent). At this location more facilities will be available to support the deployment. The sanitation units will be supplied to 240 Dienstencompagnie (240 Dncie) for the Armed Forces and to the Combat Service Support Squadrons (CSS Sqn) for the Marine Combat Groups (MCG). This will replace the current systems in use.
