**Overview**

- Overview
- Diagnose and solve problems

**Manage**

- All applications
- Private Network connectors
- User settings
- App launchers
- Custom authentication extensions

**Security**

- Conditional Access
- Consent and permissions

**Activity**

- Sign-in logs
- Usage & insights
- Audit logs
- Provisioning logs
- Access reviews
- Admin consent requests
- Bulk operation results

**Troubleshooting + Support**

- New support request

View, filter, and search applications in your organization that are set up to use your Microsoft Entra tenant as their Identity Provider.

The list of applications that are maintained by your organization are in [application registrations](#).

Search by application name or object ID Application type == Enterprise Applications Application ID starts with Add filters

74 applications found

| Name                                                          | Object ID | Application ID | Homepage URL | Created on |
|---------------------------------------------------------------|-----------|----------------|--------------|------------|
