5.1.10 Award criteria

Criterion:

Type: Price

Name: All-in price for delivery of hydrogen including transport

Description: The contract will be awarded to the economic operator based on best value. Your tender will be assessed on price which will be adjusted by a CO2 factor which takes into account emissions from the production process. To do so, a fictitious premium will be added to your price per kilogram hydrogen depending on the carbon intensity of the produced hydrogen (grey, low-carbon or renewable). The submitted tenders will be ranked, the lowest price per kilogram (including the fictitious premium) will be awarded the contract.
