The diagram is a floor plan of a building with several rooms. A pink circle in the top-left room indicates the current location. Green arrows show the primary evacuation routes, starting from the pink circle and leading to exits. Various safety equipment is marked with icons: fire extinguishers (red question mark), fire alarm bells (red fire alarm bell), fire alarm pull stations (red fire alarm bell), fire alarm call points (red fire alarm bell), and fire alarm call points (red fire alarm bell). Green labels 'NU' are placed near exits. A red box in the bottom-right room is labeled 'CV ruimte Boilerruimte'. The plan also shows doors, windows, and furniture like tables and chairs.
