1. Buyer

1.1 Buyer

Official name: Cato Composites B.V.

Legal type of the buyer: EU institution, body or agency

Activity of the contracting authority: General public services

2. Procedure

2.1 Procedure

Title: Thermoplastic composite sheet consolidation equipment

Description: This Selection Guideline contains information about the European tender of thermoplastic manufacturing equipment for Cato Composites B.V (Cato). The new manufacturing equipment should be capable of consolidating thermoplastic composites effectively. The scope of the assignment is further described in the selection guidelines. Cato Composites BV, a private company, has received public funding for an investment in their production process. One of the terms for spending this public funding is that Cato Composites BV has to carry out a public tender. The size and scope of the assignment are further described in the Selection Guideline.

Procedure identifier: bd7f8eaa-bb0b-410c-943e-3a95d50f8e9c

Type of procedure: Negotiated with prior publication of a call for competition / competitive with negotiation

The procedure is accelerated: no

Main features of the procedure: The procedure consists of a selection phase, during which relevant interested parties are selected, and a bidding phase, during which these selected participants can submit an offer and bid. The bidding phase will also include a form of dialogue with market parties. A maximum of six participants will be selected for the bidding phase.
