

APPENDIX 1 TN-505894

FOR THE DELIVERY OF A VOD/OTT PLATFORM TO OMROEP BRABANT

TENDERER DECLARES:

- 1) It shall unconditionally comply with alle the requirements in the tender documents published on TenderNed with reference number TN-505894 prior to submitting this document via e-mail to Omroep Brabant.
- 2) It has submitted to Omroep Brabant - through the designated e-mail address in the tender documents - a signed UEA (the Dutch version of the ESPD) as part of this tender and that no exclusion ground applies to tenderer.
- 3) It has submitted to Omroep Brabant - through the designated e-mail address in the tender documents - one (1) statement signed by a client that tenderer has provided the requested service (including all requirements specified in the tender documents TN-505894) in the past three (3) years to the satisfaction of said referent:

Topic	Description	Weight	Score
Implementation within time and budget	The development, testing and commissioning of the solution were within time, budget and expectations of the client.	30%	
Maintenance and support	The maintance and support delivered were compliant to the contracted service levels.	30%	
Resources	The resources made available for requested services were competent.	25%	
Innovative	Tenderer suggested innovative measures to achieve better quality and/or more efficiency and/or less costs during the contractual term.	15%	
Average score (each individual score shall be at least 6 on a scale from 6 to 10).		100%	0

- 4) It has submitted to Omroep Brabant - through the designated e-mail address in the tender documents - a description of the services including:
 - 1) an implementation plan;
 - 2) a detailed description evidencing that every requirement in the tender documents is met (please note: a simple yes is insufficient);
 - 3) a list of the available features (above the requirements) of the platform;
 - 4) a training program;
- 5) The price offered by tenderer is:

one time implementation:	Euro: _____
annual cost:	Euro: _____
Total price including one time implementation cost:	Euro: _____
- 6) The preferences offered by tenderer are:

Preference 1:	Yes/no (value Euro 15.00)
Preference 2:	Yes/no (value Euro 15.00)
Preference 3:	Yes/no (value Euro 10.00)
Preference 4:	Yes/no (value Euro 10.00)
Preference 5:	Yes/no (value Euro 10.00)

Total Euro value of the preferences offered: **Euro:** _____

- 7) As a consequence whereof - according to the evaluation methodology - the MEAT-value (price minus Euro value of the offered preferences) offered is: **Euro:** _____
- 8) Tenderer understands and agrees that the standard formats made available in the Appendixes 2A (draft contract), 2B (General Terms ARVODI 2018) and 2C (GDPR-related clauses) as published on TenderNed require tailoring between Omroep Brabant and tenderer.
- 9) Tenderer guarantees that if and when Omroep Brabant and tenderer cannot agree on a contract that - in the opinion of Omroep Brabant - is not suitable, Omroep Brabant has the right to initiate a new award to other successive tenderer(s) without any right for compensation for tenderer whatsoever.
