

INDEX

overzicht folders en documenten in Excel

The screenshot shows the Imprima interface. At the top, there is a header with the Imprima logo, a search bar containing 'RWS demo ... [100005]', and a 'DOCUMENTEN' button. Below the header, there are two icons: a folder icon and a download icon. A search bar with the placeholder text 'Voer hier trefwoorden of termen in om te beginnen' is also present. The main content area shows a list of folders under the 'Root' folder. A context menu is open over the 'Root' folder, showing options: 'Documenten downloaden - 32.8 MB' and 'Index exporteren'. The 'Index exporteren' option is highlighted. Below this, there is a table with columns for checkboxes, folder icons, download icons, and folder names. The second screenshot shows the 'Index_RWS demo GRIP_23-01-2024 15.37.53' file with a 'Downloaden' button highlighted.

[1] Root

[2] Index exporteren

[3] Downloaden

[1] Rechter muisklik op de ROOT-folder

[2] Selecteer "index exporteren"

[3] De index is te downloaden via het icoontje
"batchdownloadlijst"
