

Annex 2 Prices

For the procurement and processing of satellite data for the Netherlands Satellite Data Portal

The Tenderer should give a fixed total price for the following elements:

- Fixed total price for the total contract period of six (6) years, i.e. including all optional extension years
- Fixed total price for the first three (3) years of the contract
- Fixed total price for each optional extension option of one year. Please note: the fixed total price for each optional extension contract year must be the same.
- Fixed price for each of the revision clause cases as described in Section 2.6 of the Tender Document.

The total amount of your quotation is final.

Please note: The assessment is based on the total price for the term of six (6) years (including all three optional extension years)

You must take into account the requirements set out in this regard in Chapter 3.
