Onderwerp: Answer 28

Vraag:

It has been noted that a company name is explicitly mentioned in the Clarification Note dated 12 September 2025. This appears to conflict with the principle of equal treatment and may give the appearance of favoritism. Could you please explain why this name is mentioned?

Antwoord:

The name has been included for illustrative purposes. In this additional Clarification Note, it will be clarified that there is no preference and that all parties are treated equally.
