Title: Local Coordinator for TTCD

Description: The Tanganyika Trade Corridor Development (TTCD) project is coordinated primarily from the Hague, while its implementation takes place in Bujumbura and surrounding areas. This geographical distance creates challenges in maintaining consistent communication with local stakeholders, ensuring timely oversight of activities, and addressing emerging issues on the ground. Without a dedicated local coordinator, there is a risk of misalignment between project planning and execution, reduced stakeholder engagement, and delays in achieving project objectives. Hence, a locally based coordinator is therefore essential to bridge the gap between the project team in the Hague and the local context, safeguard the quality and timeliness of activities, and to liaise with community, institutional, and other relevant stakeholders. Hence, RVO is seeking a locally based Project Coordinator to support the implementation of the TTCD project. Your remuneration for the execution of the Framework Agreement amounts to a fixed price of €140,000 excluding Dutch VAT and (if applicable) including local VAT, travel costs and all local costs.
