

## Annex E: Declaration of Conformity

The Tenderer must fully and unconditionally comply with the requirements set out in this Declaration of Conformity and, where applicable, with the requirements for the performance of the Contract set out elsewhere in the Tender Documents, both at the time of submitting a Tender and during the term of the Agreement. By submitting a Tender, the Tenderer declares that it complies with each requirement. If the Tenderer does not comply fully or unconditionally with one or more of these requirements, it will be excluded from this tender.
