Procedure identifier: 5bc47d82-5bdd-4c38-88a2-b53a4d6f0d8b

Internal identifier: B05.01.2025

Type of procedure: Open

The procedure is accelerated: yes

Justification for the accelerated procedure: The contracting authority intends to merge with Invest-NL as of 1 January 2028. This strategic transition will materially affect the scope and structure of future service delivery. To ensure continuity and avoid entering a long-term contract misaligned with the forthcoming organizational framework, a short-term bridging agreement will be concluded. This agreement is limited in duration and scope, solely intended to cover the interim period. Given the urgency and the time constraints imposed by the planned merger, the accelerated procedure under Article 2.74 of the Dutch Public Procurement Act 2012 is justified. The circumstances meet the criteria of unforeseeable urgency not attributable to the contracting authority.
