Ref.nr. **Onderwerp:**
M3 Current engine counters

Inhoud mededeling:

There was a question regarding hours for running in sprint mode. One of the suppliers sent instructions through, but the result only shows the operating hours of the machine in total and does not specifically show the sprint hours. I've attached the photo made by Uniper for inclusion.

As of 16/05/2025
Hours 75111
Starts: 2998
