Title: Flanges (carbon steel)

Description: With this market consultation Gasunie aims to obtain input from the market on a number of questions and refine the scope for a planned European tender for flanges. Additionally Gasunie wants to reach potential participants in order to interest them for the upcoming tender and provide Gasunie with valuable input. The objective of the market consultation is to test and gain insight and overview in relation to: • the extent in which the technical requirements as provided by Gasunie are relevant, realistic and achievable; • the solutions the market offers in relation to the questions and requirements in this market consultation; • the make-up of the market and what distinguishes parties within this market; • the expected trend and developments in the market of flanges. Our goal is to publish a tender to which the market parties can relate and in which they want to participate. The estimated yearly financial scope is approximately €1.300.000 - €1.500.000.
