

Information Notice

Introduction

- This Information Notice forms part of the European open Tender procedure for I-Line and Polymer back end track, published on 14-11-2025 under TNO reference number WS2568652543.
- This Information Notice provides a record of the questions submitted by the Tenderers up to and including the date of publication of this Information Notice with the answers provided by TNO.
- If Tenderers have asked questions of similar nature, all such questions have nevertheless been included in this Information Notice and answered separately. This may result in repetition of information.
- Where a company name was mentioned in a question, it has been replaced by another word or term to anonymize the questions.
- TNO advises you to read the entire Information Notice.
- All information in the Information Notice is classified as Confidential and may only be used for the purpose of submitting a Tender for this procurement.
- The Information Notice will be made available on TenderNed through publication at www.tenderned.nl and added as a document.

The Information Notice serves to provide any additions/changes to the Tender Documents and to communicate announcements from TNO.

Where further clarification of the requirements is provided, this must be taken into account when answering Annex A04 at the time of when compiling the tender. If, for example an alternative is accepted in the Information Notice, Annex A04 will not be revised. The tenderer can answer the question for compliancy with "yes" in both cases (compliance to the original requirement or compliance to the alternative). In case a requirement no longer applies, leave the check box in Annex A04 on "select".
