5.1 Lot technical ID: LOT-0003

Title:	Housing DEF (1)
Description:	The costs of housing per city, within the residential area (25 km distance from workplace to residence), are determined through on-site research, possibly supported by desk research. This involves maximum rental amounts for living units, and the Ministry of Defence uses a bare rent as a starting point for the rent ceiling and for the housing allowance. The costs of utilities (gas, water, electricity) must be determined separately.
