	Nieuwe situatie (geprojecteerd)
	Waterlijn
	Bestaande persleiding
	Aanbrengen persleiding 125mm

- alle materiaalmaten in millimeters tenzij anders aangegeven
- alle maten in meters tenzij anders aangegeven
- alle hoogtematen in meters t.o.v. N.A.P.

- Toekomstig VDS -5.87 m N.A.P.
- Winterpeil -6.27 m N.A.P.
- Zomerpeil -6.07 m N.A.P.
- Ontwerppeil -5.87 m N.A.P.

This architectural site plan shows a large building complex with various internal courtyards and surrounding streets. A red rectangle highlights a small rectangular area on the upper left side of the plan. A large black rectangle highlights a significant portion of the left side of the building complex. A smaller black rectangle highlights a specific area within the lower part of the large black rectangle. A green line highlights a horizontal section within the lower part of the plan, below the large black rectangle. The plan includes detailed architectural features such as walls, windows, and internal courtyards.
