

Memorandum of Information European tender “Expertise for the ITO (IT Outsourcing) Senegal project aimed at contributing to the strengthening of the position of women in the ITO sector in Senegal”

Date: 16 February 2026

In this Memorandum of Information, the Contracting authority provides answers to the questions asked and remarks posted in the context of the above-mentioned European tender. This Memorandum of Information forms an integral part of the Tender Document (with reference 202509006).

Question	Chapter/ Paragraph from the tender document	Question	Answer
1.	Section 5.5 Price: daily rates	We hebben twee kandidaten die volledig aan het profiel voldoen en zeer enthousiast. Echter gezien de zeer lage rate per dag willen wij toch een check of u bereidt bent deze te herzien. Bent u bereid de gestelde fee aan te passen en zo ja, wat is de herziende fee? We have two candidates who fully meet the profile and are very enthusiastic. However, given the very low daily rate, we would like to check whether you are willing to review it. Are you willing to adjust the fee and, if so, what is the revised fee?	Not agreed, the fee will not be adjusted.
