Draadloze ruimtebediening. Bij dit symbool is tevens een draadloze ruimtetemperatuurmeting inbegrepen.

Philips Lightmaster regelaar

Op de volgende pagina's zijn voorbeelden van de plattegronden getoond, waar toelichting is gegeven op welke symbolen waar te vinden zijn.

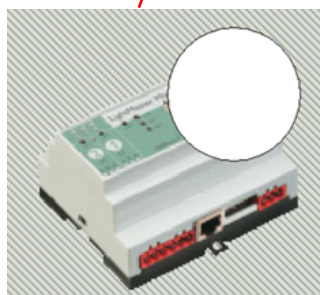

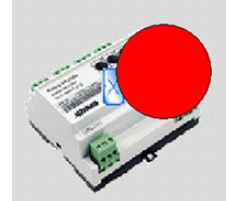

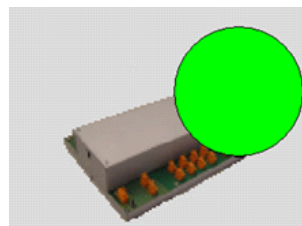

2^e verdieping bouwdeel A

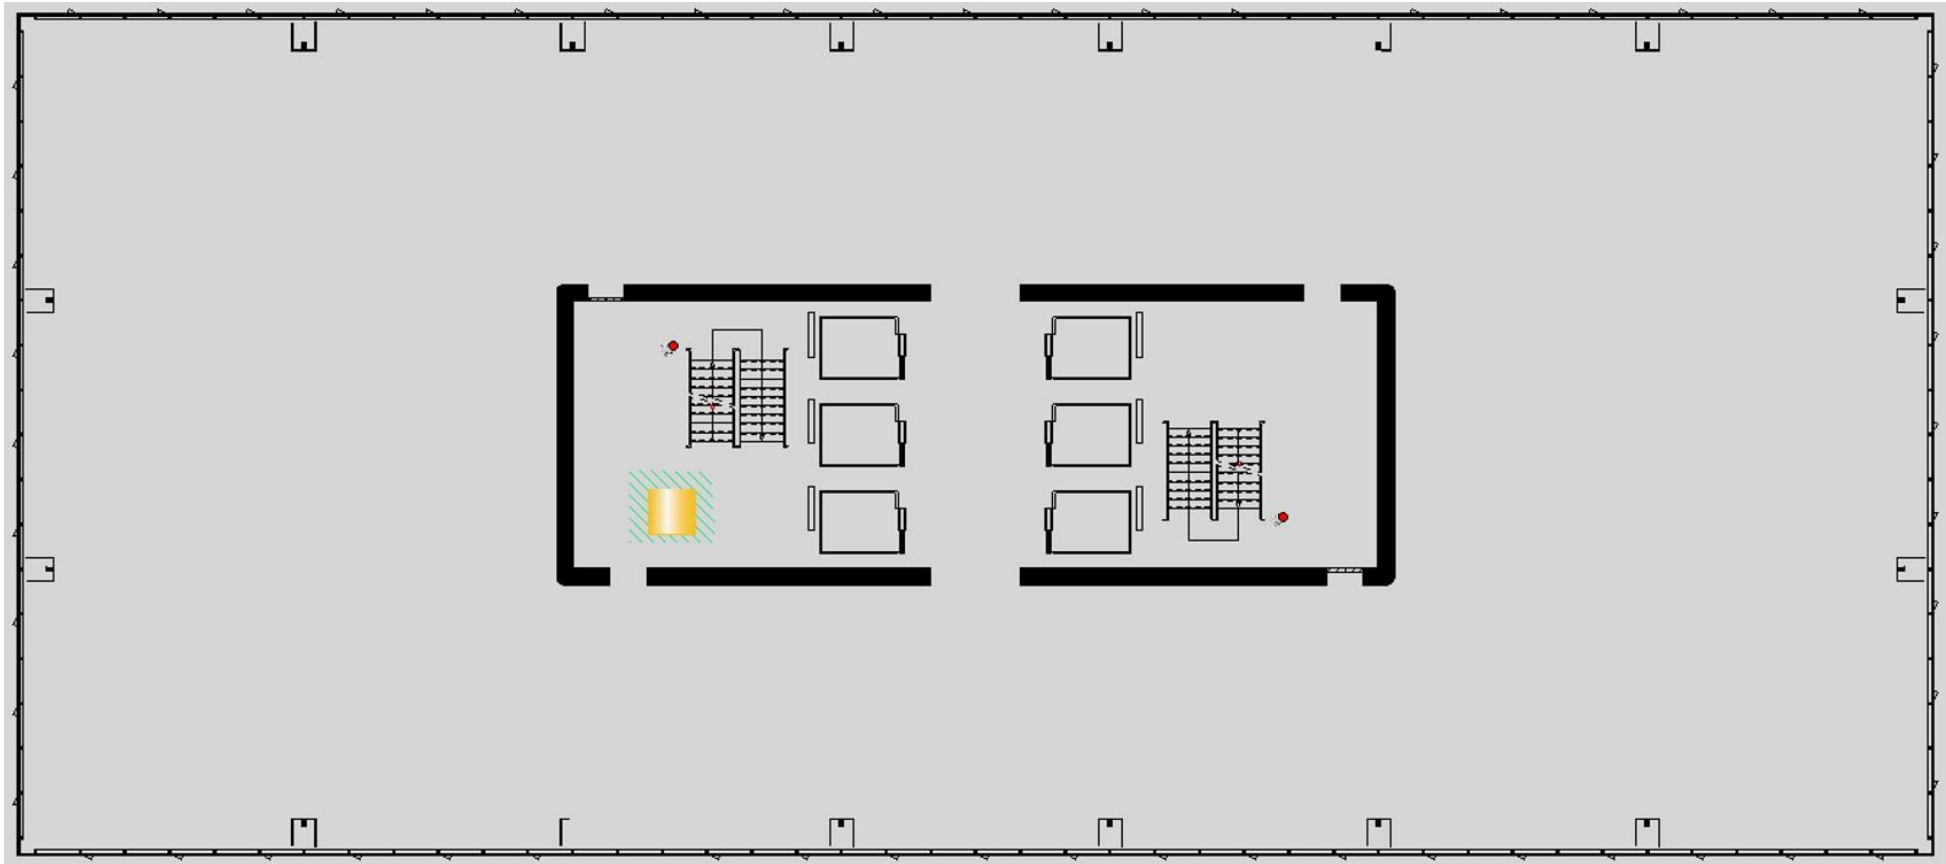

3^e verdieping bouwdeel E

5^e verdieping bouwdeel H

8^e verdieping bouwdeel H

Deze is in verband met de pilot leeg gehaald.

Dat is nog niet gedaan voor de 9^e en 10^e verdieping, maar daar is alleen nog maar Priva ruimteregelaars met lichtsturingen. Daarom zijn de print screens vanuit NLFac voor de 9^e en 10^e verdieping niet verstrekt.
