### 1.1 Buyer

Official name : Ministerie van Economische Zaken

Legal type of the buyer: Central government authority

Legal type of the competent authority: Central government authority

Activity of the contracting authority: General public services

## 2. Procedure

### 2.1 Procedure

Title: Market Information Studies

Description: The purpose of this market orientation is: • gauge market interest in a possible future tender. • gather insights from interested parties to further refine a possible tender, with the goal of enhancing the quality of responses. The purpose of the assignment for the possible tender is: To write market information studies about the European market for small, medium-sized enterprises (SMEs) in low-and middle-income countries. These studies are intended to help SMEs in aforementioned countries better understand the European market including the demand, trends and requirements, so they can successfully export their goods and services to the European market. See the market consultation document published under 'documents' for more information. See the market consultation document published under 'documents' for more information.
