

# HMB Atriumgebouw N&V

29th of Jan 2026  
Loose Furniture Items

V1.0 dd 30-01-2026

## HMB Atriumgebouw N&V | contents

All drawings are for the purposes of design direction only.  
Last set of drawings by architect are leading.

Overall guideline measurements to be taken from last issued plans **DO.301 / DO.302/ DO.303** for costing purposes.

Final measurements to be taken from site.  
Cost calculation to be made in combination with room codes. Excel sheet to be submitted with room code, company name of product, article name, quantity and price

Accent lighting to be supplied with LED lamps, installation by nominated electrician. Coordination of light colour and switching to be carried out in dialogue with architect and nominated electrician.

Graphics by Third party

To ensure a good end result and atmosphere,  
all finishes and samples to be presented for final approval.
