

## Annex 4: Declaration of reliance on a third party/third parties

(Third party 1, 2, 3, 4\*)

For the tender **Tram Series 17G** with reference **2025-25**

THE UNDERSIGNED, ACTING AS DULY AUTHORISED REPRESENTATIVE OF THE CANDIDATE, DECLARES:

in respect of the Contract resulting from this procurement procedure:

- in accordance with the provisions of section 3.5.4 subsection B of the Selection/Procurement Procedure Guidelines, the capacity of one or more third parties may be relied on in order to satisfy the requirements set with respect to financial and economic standing and/or technical and organisational competence;
- the third party referred to in this declaration is relied on in respect of:  
 .....  
 (insert the specific capacity for which reliance is placed on the third party);
- In relation to such reliance on this third party, the Candidate actually has or will be able to have at its disposal all resources necessary for the performance of the contract;
- In performing the contract, the Candidate will also actually use the resources of the specified third party.

**Declaration of reliance on a third party/third parties continued**

(Third party 1, 2, 3, 4\*)

THE UNDERSIGNED,  
ACTING AS THE DULY AUTHORISED REPRESENTATIVE OF THE THIRD PARTY WHOSE  
CAPACITY IS RELIED ON, DECLARES,

- that the Candidate does in fact rely on it in respect of the aforementioned capacity and, if the Agreement is concluded, will actually be able to have its personnel and/or resources at its disposal and/or make use of them for the proper performance of the Agreement;
- that if the Candidate relies on its capacity in order to meet one or more minimum requirements relating to financial and economic standing, it accepts joint and several liability towards the Joint Parties for the full and proper performance of the contract in all its parts.

\* A declaration must be completed for each Third Party whose capacity is to be relied on

\* Delete as appropriate

This form must **only** be completed and submitted if a registration or tender relies on the capacity of a third party (subcontractor) in order to meet the required minimum requirements and/or selection criteria. See section 3.5.4 subsection A of the Guidelines for details. This form does **not** need to be completed and submitted if a subcontractor is used whose capacity is not relied on.
