Algemene informatie

Aanbesteding: Development and supply of Full-end-load resistant couplings to be used for PE pipelines

Aanbestedende Dienst: Enexis Netbeheer BV/Enexis Personeel BV

Referentie: -

Toelichting:

We have published the answer to the submitted question in the Memorandum of Information. Additionally, please be advised that an English version of the ESPD template has now been uploaded to TenderNed for your convenience.

Vraag en antwoord

Ref.nr.
23

Onderwerp:
Announcement from the Contracting Entities regarding the ESPD

Vraag:
Could the Contracting Entities please clarify how Candidates are expected to fill out Part V of the ESPD, given that the Selection Criteria are also covered in Appendix 7?

Antwoord:
To ensure a smooth evaluation process, the Contracting Entities would like to clarify the instructions for Part V of the ESPD (Selection Criteria). You do not need to provide detailed descriptions or list certificates in the text box of Part V itself. It is sufficient to simply state: "Please refer to the separately submitted Appendix 7 - Selection Criteria." Your substantive responses to the Selection Criteria must be detailed in the designated 'Appendix 7' document and uploaded as a separate file.
