Title:	Market benchmark for an Automatic Terminal Information Service (ATIS) Solution
Description:	Air Traffic Control the Netherlands (ATC-NL) currently operates several Automatic Terminal Information Service (ATIS) systems that need to undergo a midlife update over the coming years. Therefore ATC-NL would like to conduct a market consultation to benchmark the current market situation. For this purpose, ATC-NL has published this questionnaire and invites you to provide a response to our questions. The Market Benchmark document contains both a Business Specification and a Questionnaire. The questions in the Questionnaire are aimed to gather information regarding technical capabilities, logistical requirements, cost implications, how to reduce the total cost of ownership, availability and support services. Please refer to chapter 2 of the Market benchmark document.
