Delfland

The Gantt chart displays the project schedule from July to June. The timeline is divided into two main phases: 'REALISATIEFASE' (Implementation Phase) and 'NAZORGFASE' (Monitoring Phase). The 'REALISATIEFASE' includes tasks 23-7, 24-4, and 20-7. The 'NAZORGFASE' includes task 15-2. The chart shows the duration of each task and the overall project timeline.
