10. Change

Version of the previous notice to be changed:	82bb2f8a-48d9-4a9e-9b30-89a419bd8835-01
Main reason for change:	Buyer correction
Description:	Met deze rectificatie maakt TenneT TSO B.V. bekend dat de definitie van 'Buyer' (Aanbestedende dienst) in de reeds gepubliceerde erkenningsregeling EU-401 - Lijnen wordt verruimd. Uitbreiding definitie van Buyer In aanvulling op de reeds gedefinieerde aanbestedende dienst vallen ook de volgende groepsmaatschappijen van TenneT TSO B.V. met ingang van heden onder de definitie van 'Buyer' binnen de bestaande erkenningsregeling: • TensZ B.V. • Reddyn B.V. Dit betekent dat deze bedrijven gerechtigd zijn om opdrachten en nadere overeenkomsten te verstrekken onder de voorwaarden en in het kader van de erkenningsregeling EU-401 - Lijnen. Verruiming van de termijn Om marktpartijen voldoende gelegenheid te bieden hun status als erkend opdrachtnemer aan te vragen en zodoende deel te nemen aan de aanbesteding voor de raamovereenkomst EU-401 - Lijnen, wordt de termijn voor het insturen van de gevraagde documenten verruimd. De uiterste datum voor het indienen van de benodigde documenten wordt hierbij verlengd met 15 kalenderdagen, gerekend vanaf de dag na de dag van publicatie van deze rectificatie. Voor het indienen van uw stukken en de exacte nieuwe sluitingsdatum verwijzen wij u naar het dossier van de erkenningsregeling EU-401 - Lijnen, toegankelijk via Mercell Source-to-Contract met referentie T186069. Alle overige bepalingen en voorwaarden van de erkenningsregeling blijven ongewijzigd van kracht. Voor eventuele vragen over deze wijziging kunt u contact opnemen via Mercell Source-to-Contract met Daan van der Schroeff. ----English text---- With this corrigendum, TenneT TSO B.V. announces that the definition of 'Buyer' (Contracting Authority) in the previously published EU-401 – Overhead Lines qualification system is being expanded. Expansion of the definition of 'Buyer' In addition to the contracting authority already defined, the following group companies of TenneT TSO B.V. are also included in the definition of 'Buyer' within the existing accreditation scheme with immediate effect: • TensZ B.V. • Reddyn B.V. This means that these companies are authorised to award contracts and further agreements under the terms and conditions of the EU-401 - Overhead Lines qualification system. Extension of the deadline In order to give market parties sufficient opportunity to apply for their status as an accredited supplier and thus participate in the tender for the EU-401 – Lines framework agreement, the deadline for submitting the required documents is being extended. The deadline for submitting the necessary documents is hereby extended by 15 calendar days, calculated from the day following the date of publication of this corrigendum. For the submission of your documents and the exact new closing date, please refer to the EU-401 – Overhead Lines qualification system dossier, accessible via Mercell Source-to-Contract under reference T186069. All other terms and conditions of the qualification system remain unchanged. If you have any questions regarding this change, please contact Daan van der Schroeff via Mercell Source-to-Contract.
