

Chemisch anker M24

Technical drawing of a concrete slab cross-section. The drawing shows a profile of a concrete slab with various dimensions and labels. The total width of the slab is 1300. The total height of the slab is 550. The slab is divided into several sections with different heights and widths. The dimensions are as follows:

- Overall width: 1300
- Overall height: 550
- Section 1 (left): width 80, height 270
- Section 2: width 140, height 250
- Section 3: width 80, height 270
- Section 4: width 100, height 270
- Section 5: width 100, height 270
- Section 6: width 300, height 440
- Section 7: width 400, height 340
- Section 8: width 100, height 300
- Section 9: width 100, height 300

The drawing also includes labels for "Chemisch anker M24" (Chemical anchor M24) and "30" (likely indicating a 30mm gap or offset).
