Title: Consultant CBI Ghana Country Programme

Description: CBI is implementing a country programme in Ghana. This programme will not only focus on activities within the individual export value chains but also more actively foster collaboration and synergies between the existing and future projects. By doing so, it seeks to enhance both efficiency and effectiveness. Beyond the supported value chains, the new country programme aspires to take an even broader approach: empowering market actors to develop innovative solutions that address barriers to youth employment across the wider market system. In order to reach these objectives effectively, CBI wants to work with a Ghanaian Country Lead that is motivated to find solutions to the youth employment challenge and is capable of guiding CBI on where CBI's expertise and connections can be of most value in the Ghanaian ecosystem. The purpose of this market orientation is to explore which parties are interested and possess the necessary knowledge, experience, and capacity to be eligible for this tender. Available budget for this contract: € 110,000.- – € 135,000.-.
