The diagram shows a horizontal number line starting at 0 and ending at 7520. Above the line, there are tick marks and labels for the following values from left to right: 2700, 200, 600, 850, 210, and 350. Below the line, there are tick marks and labels for the following values from left to right: 200, 210, 600, 850, 200, and 350. This illustrates how the same total length can be divided differently.
