2200228P01ind003
V1.1
Utrecht

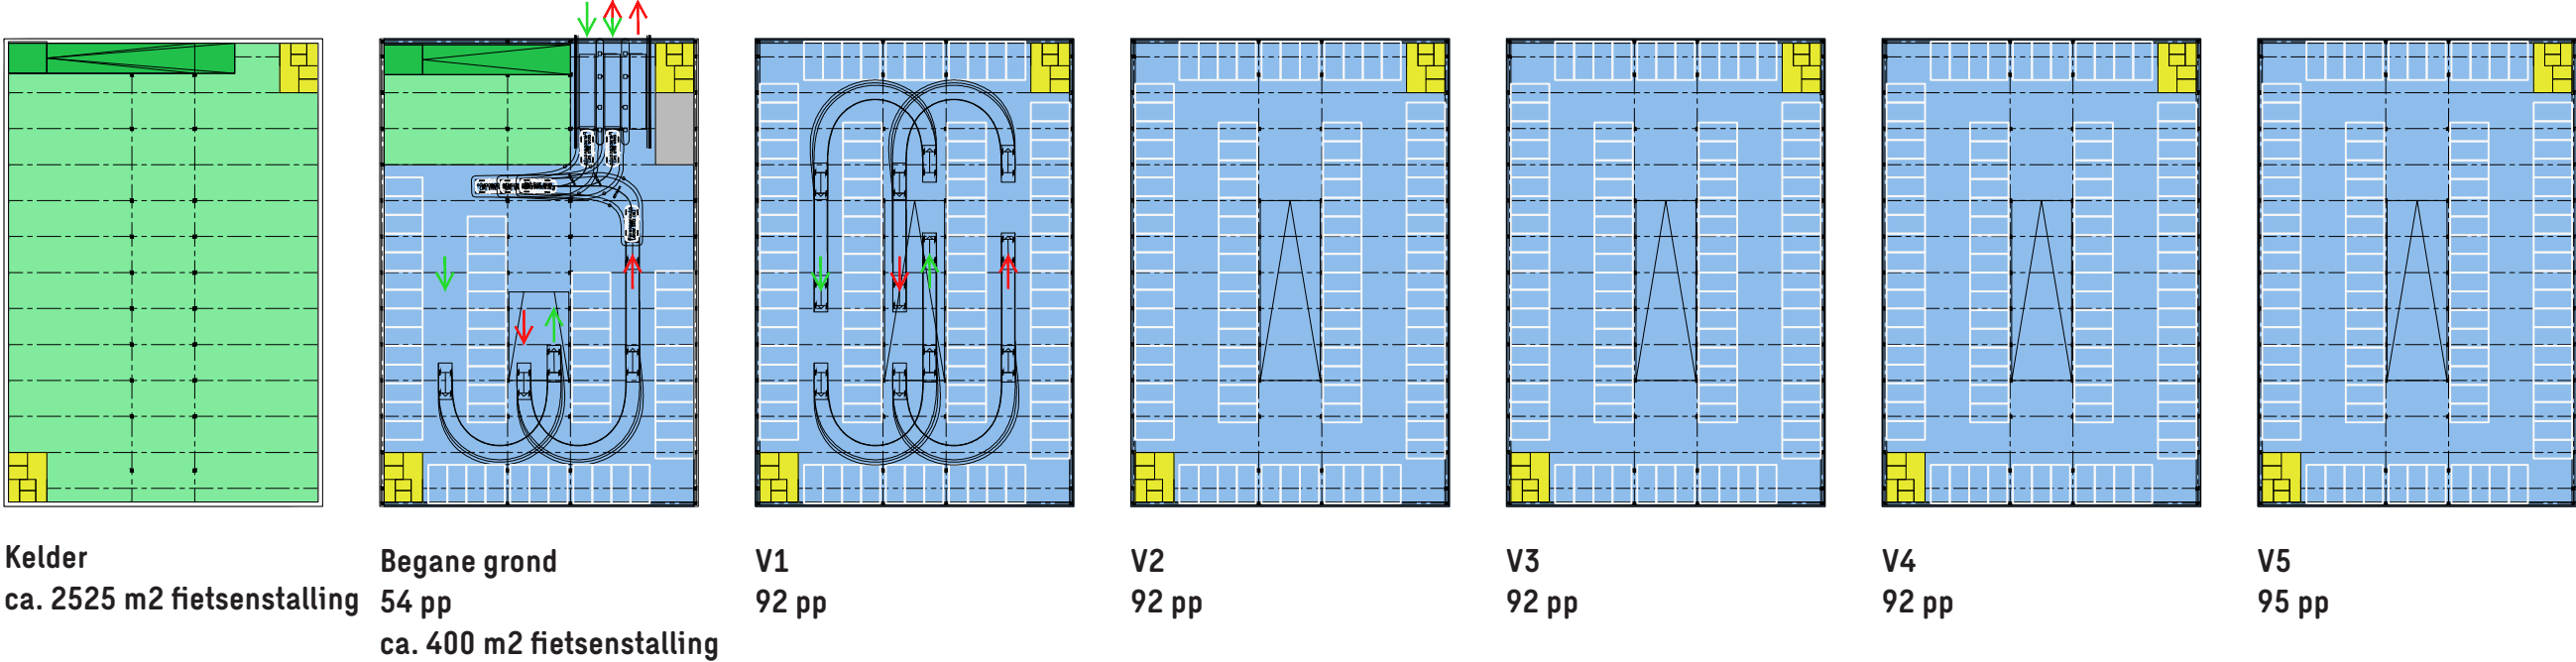

Model A
- parkeren op vlakke vloeren
- 1-richtingsverkeer op parkeervloer
- 2-richtingsverkeer op helling

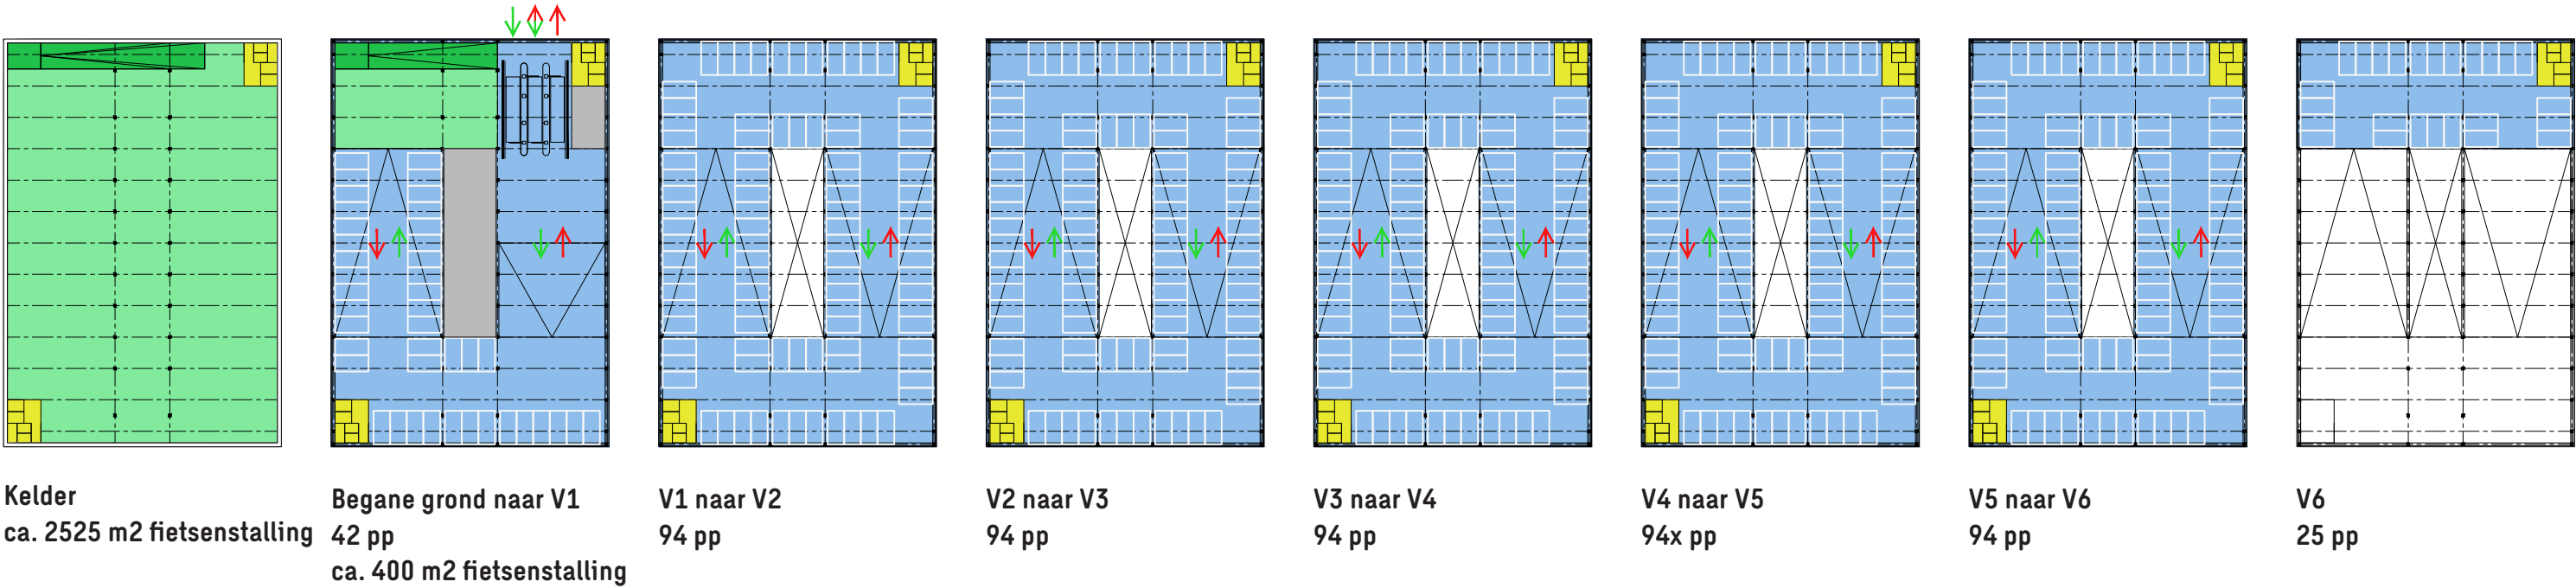

Model B
- parkeren op helling
- hellingpercentage ca. 5 %
- 2-richtingsverkeer op parkeervloer

Model A: totaal ca. 515 parkeerplaatsen (incl. miva-plekken)
(8 extra parkeerplaatsen mogelijk t.p.v. fietsenstalling b.g.)

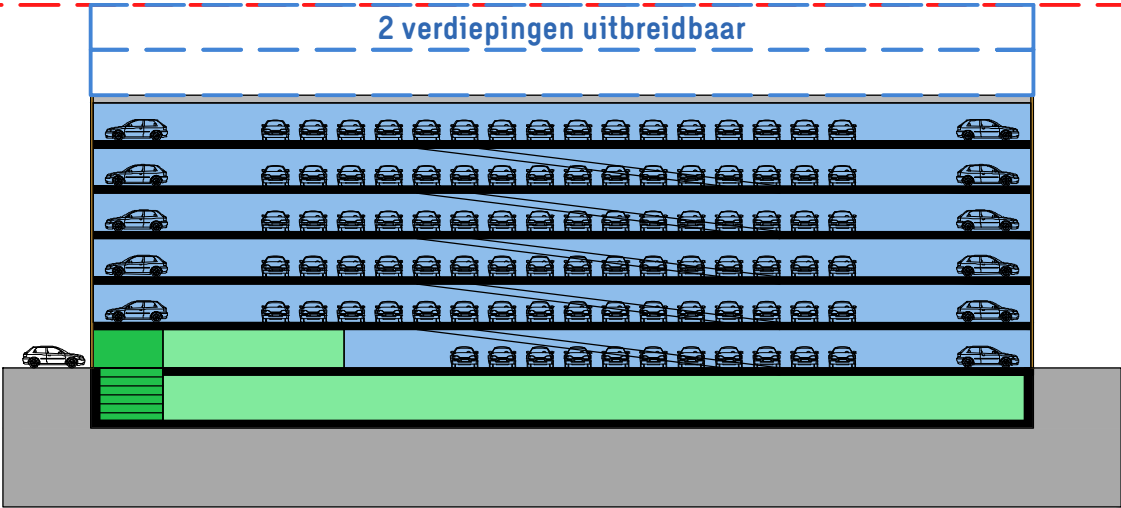

Model B: totaal ca. 535 parkeerplaatsen (incl. miva-plekken)

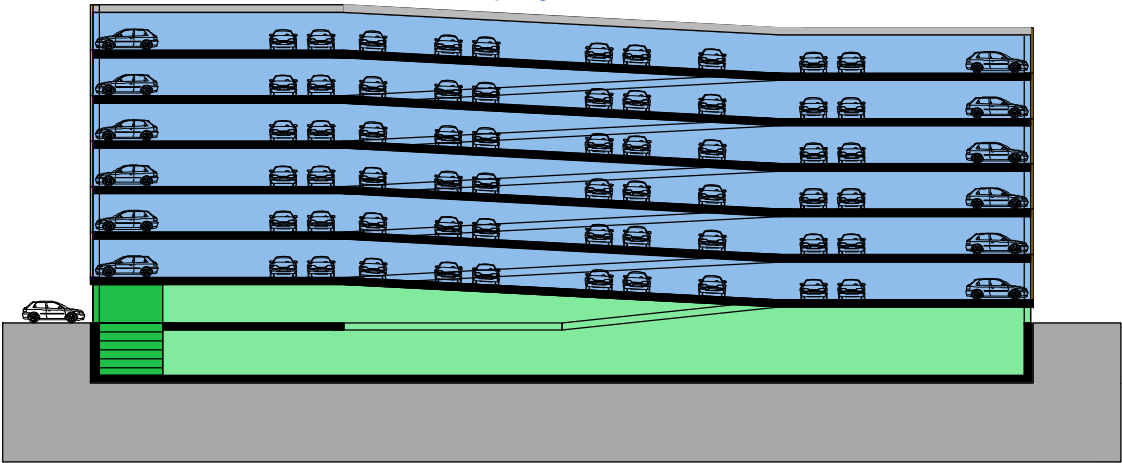

Model A

24 meter

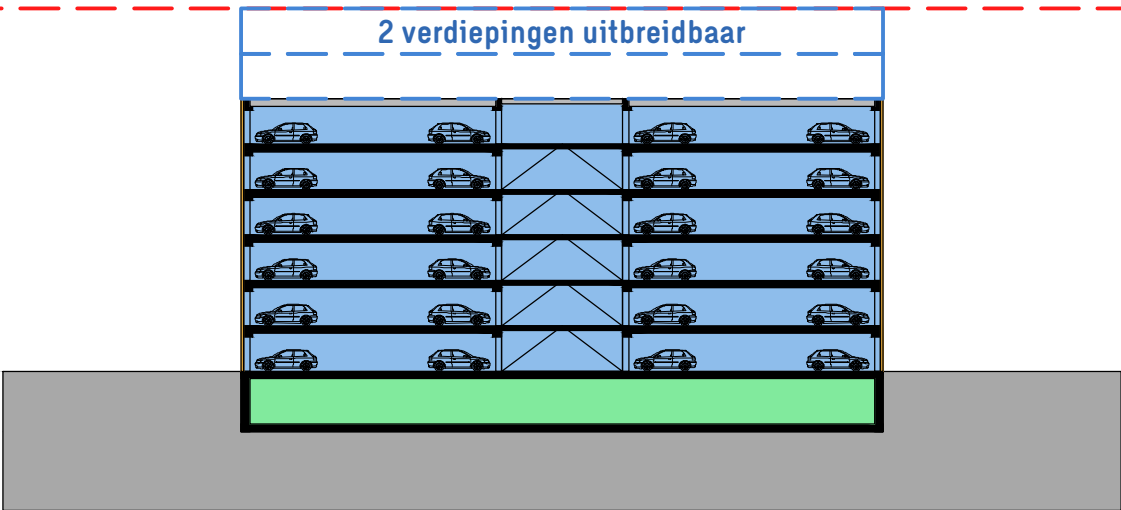

Model B

1 verdieping uitbreidbaar

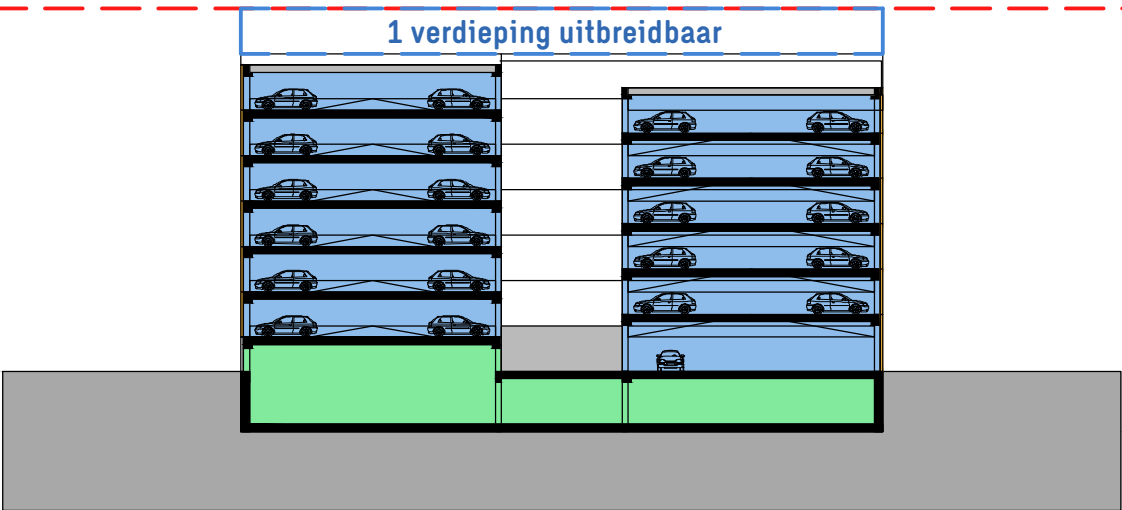

24 meter

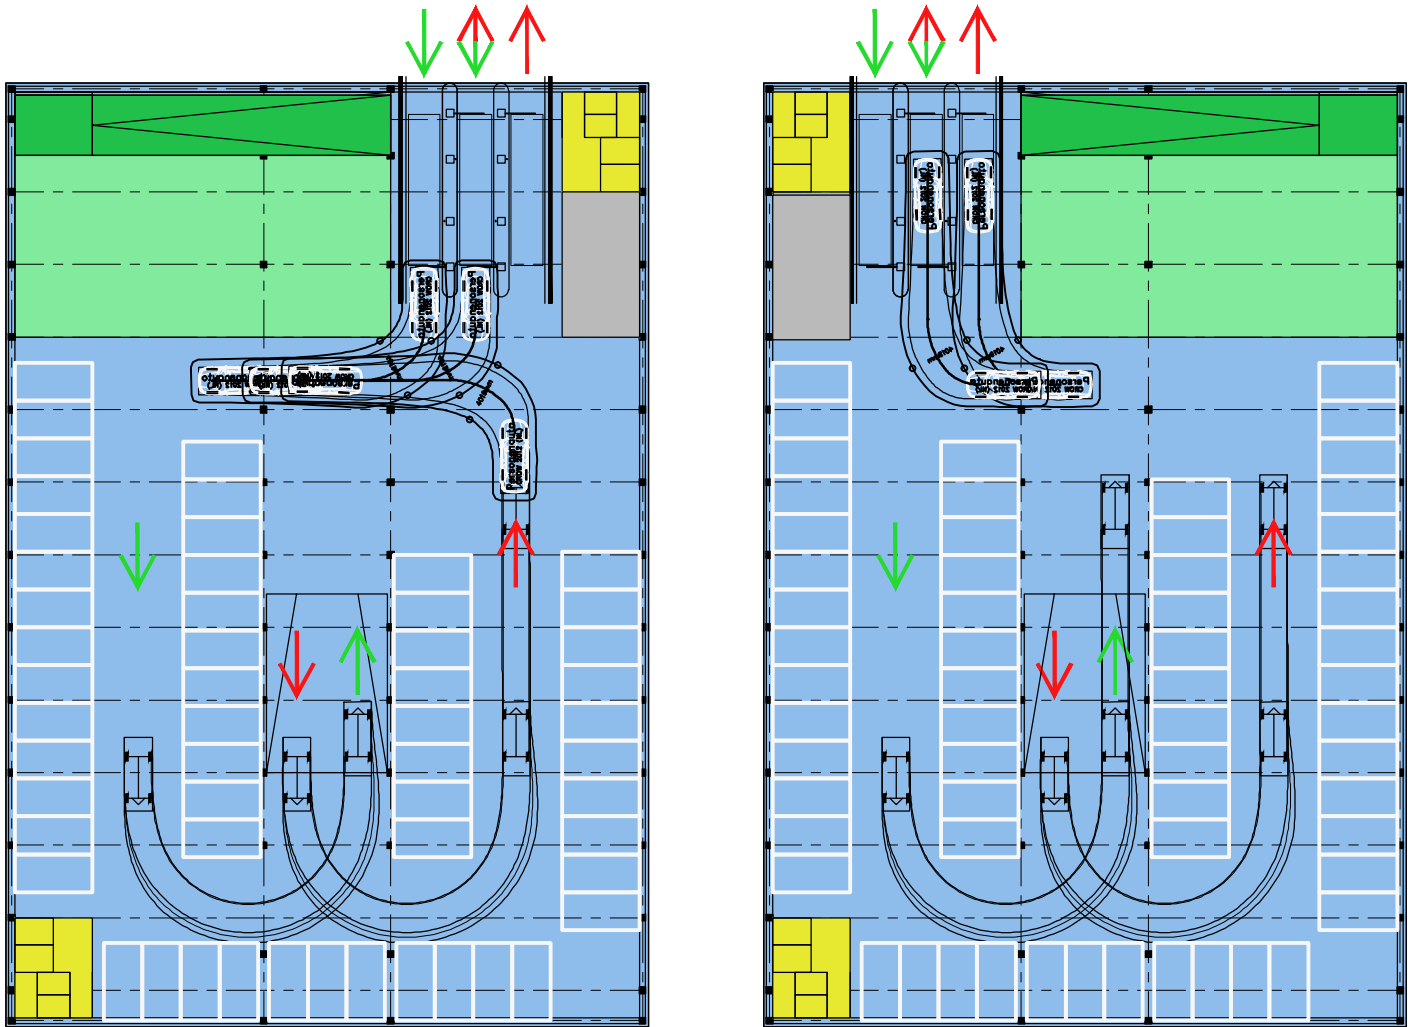

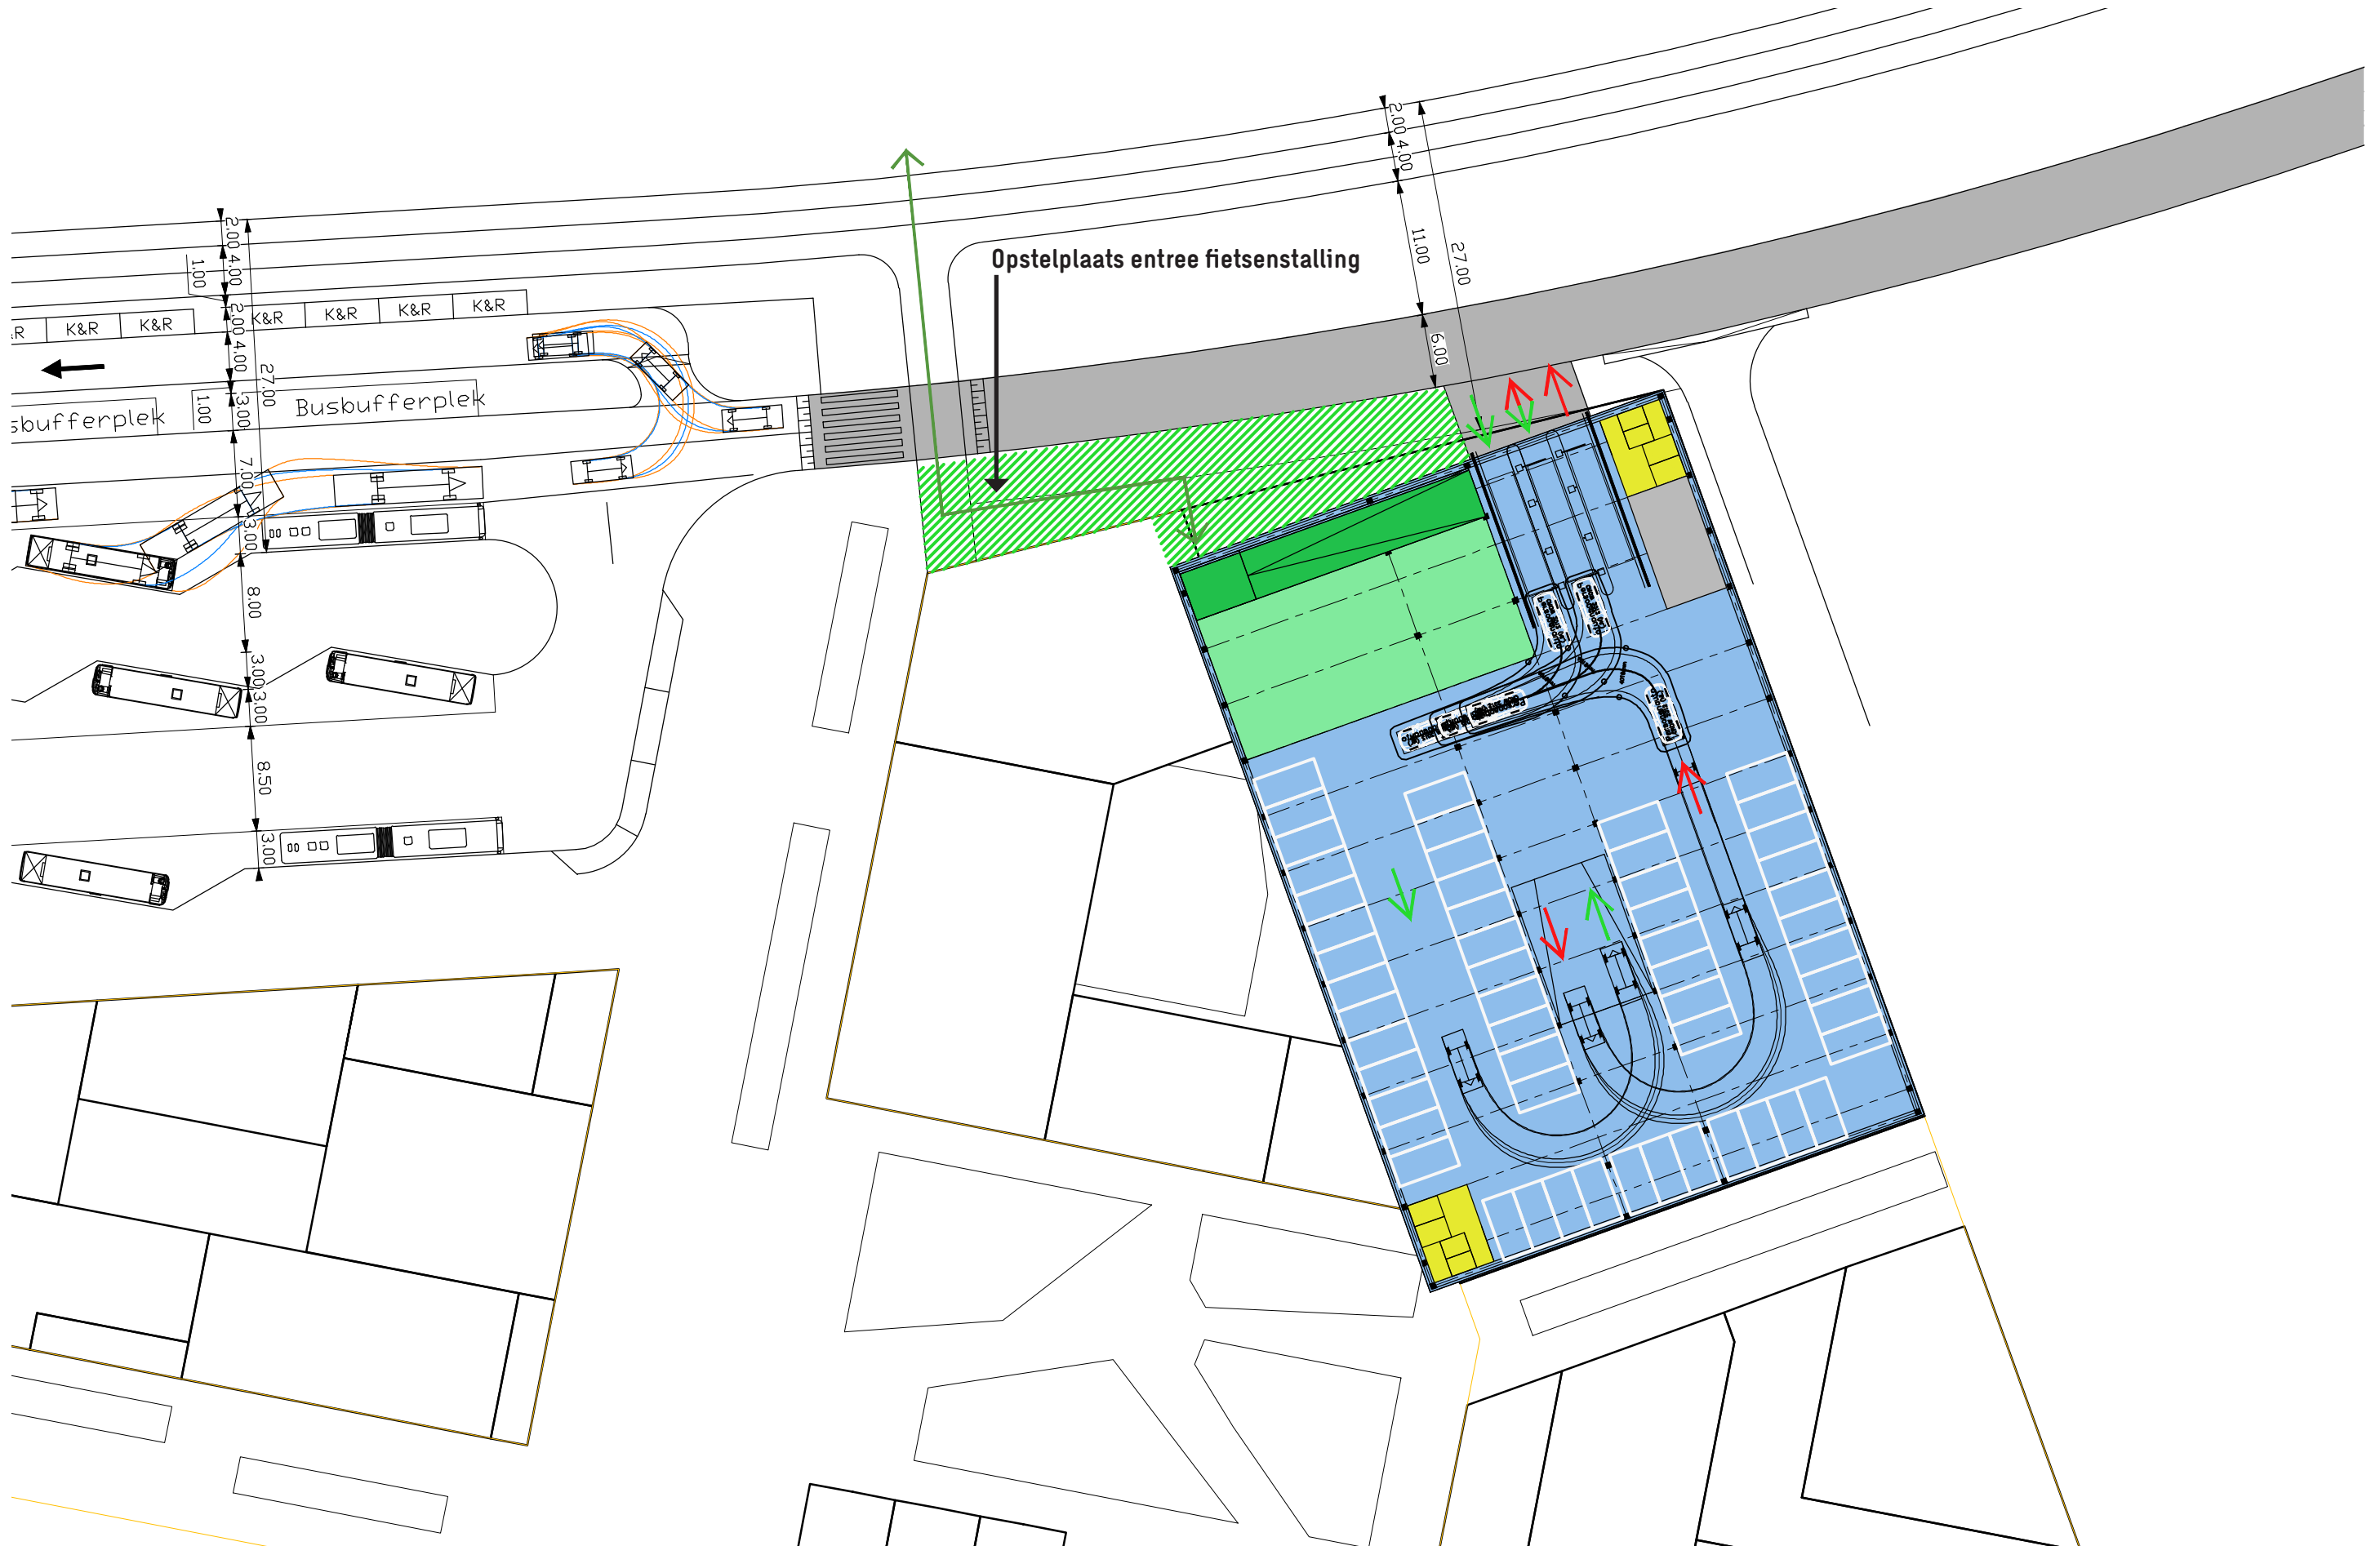

42,5 meter

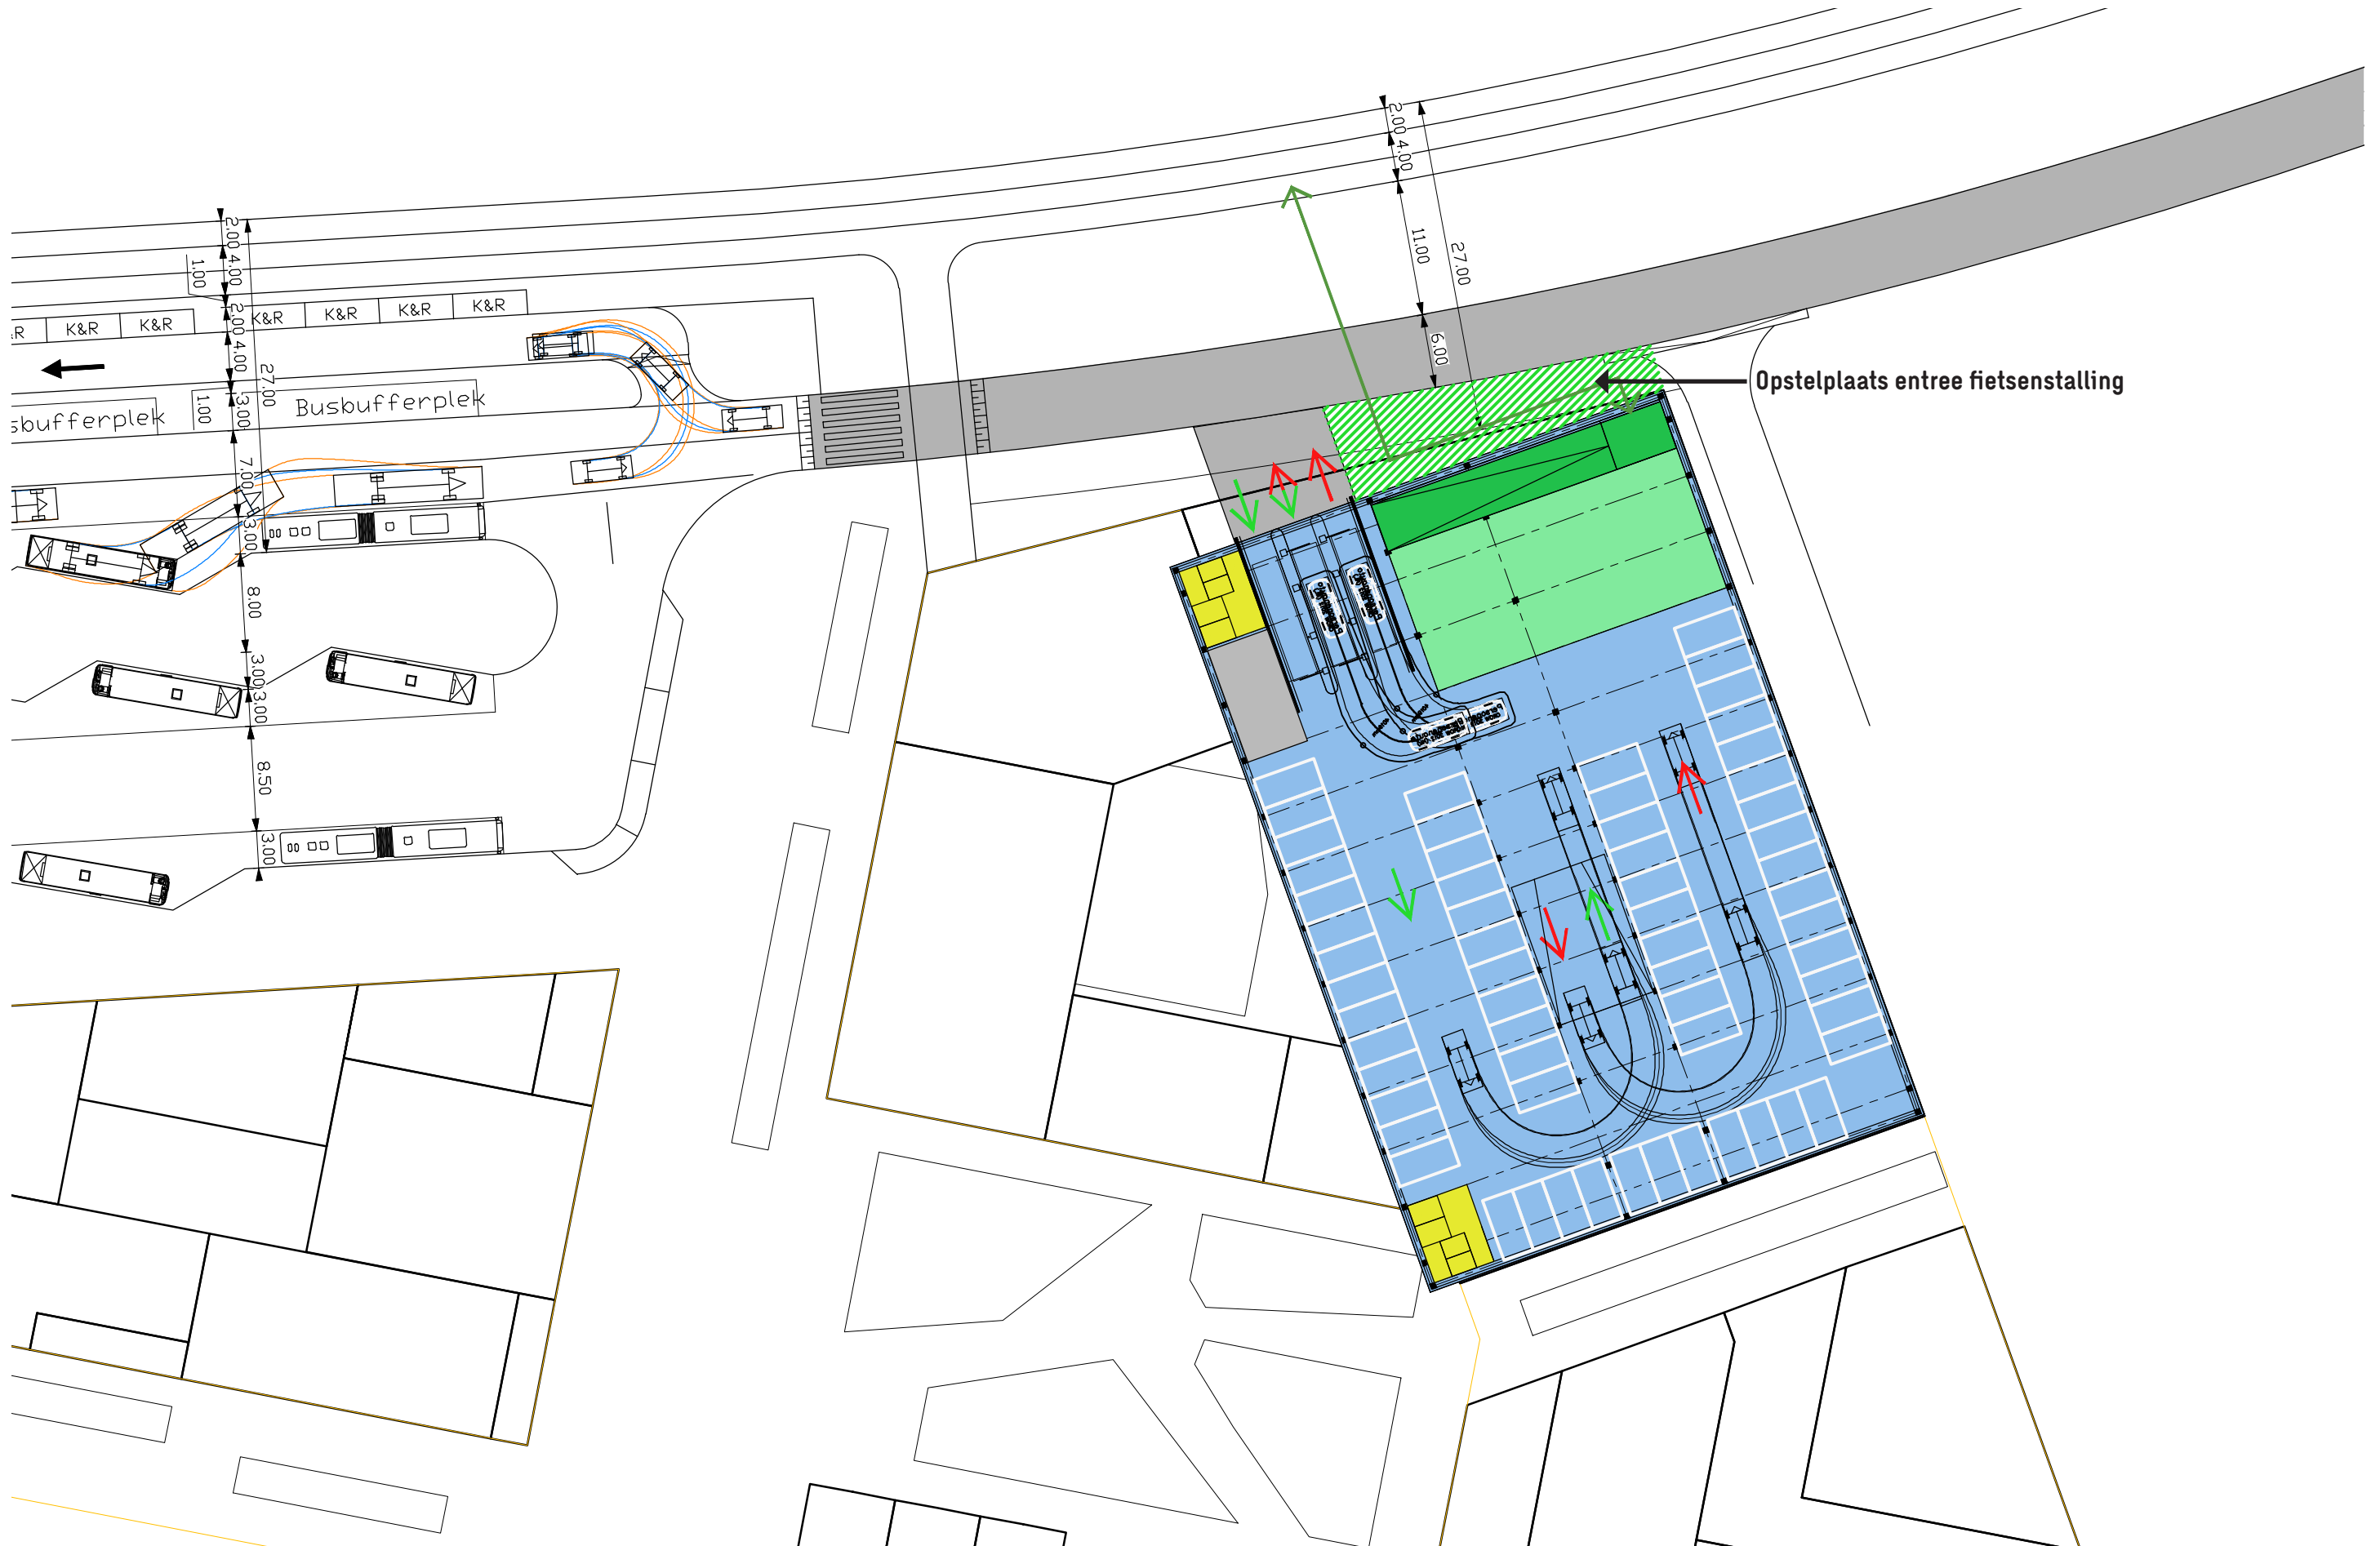

1 verdieping uitbreidbaar

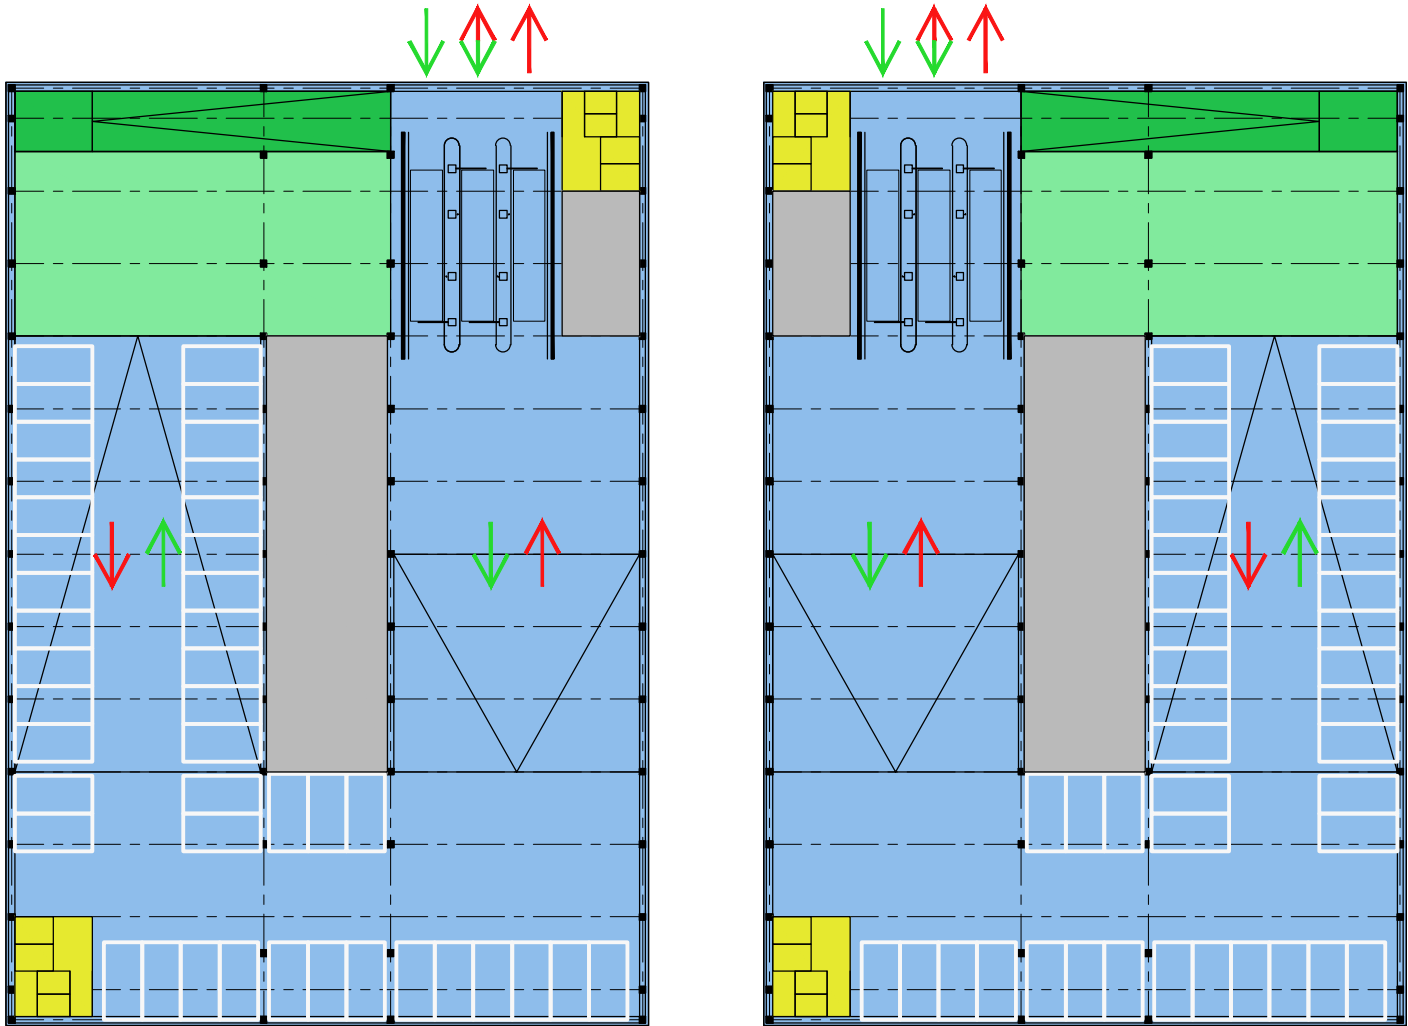

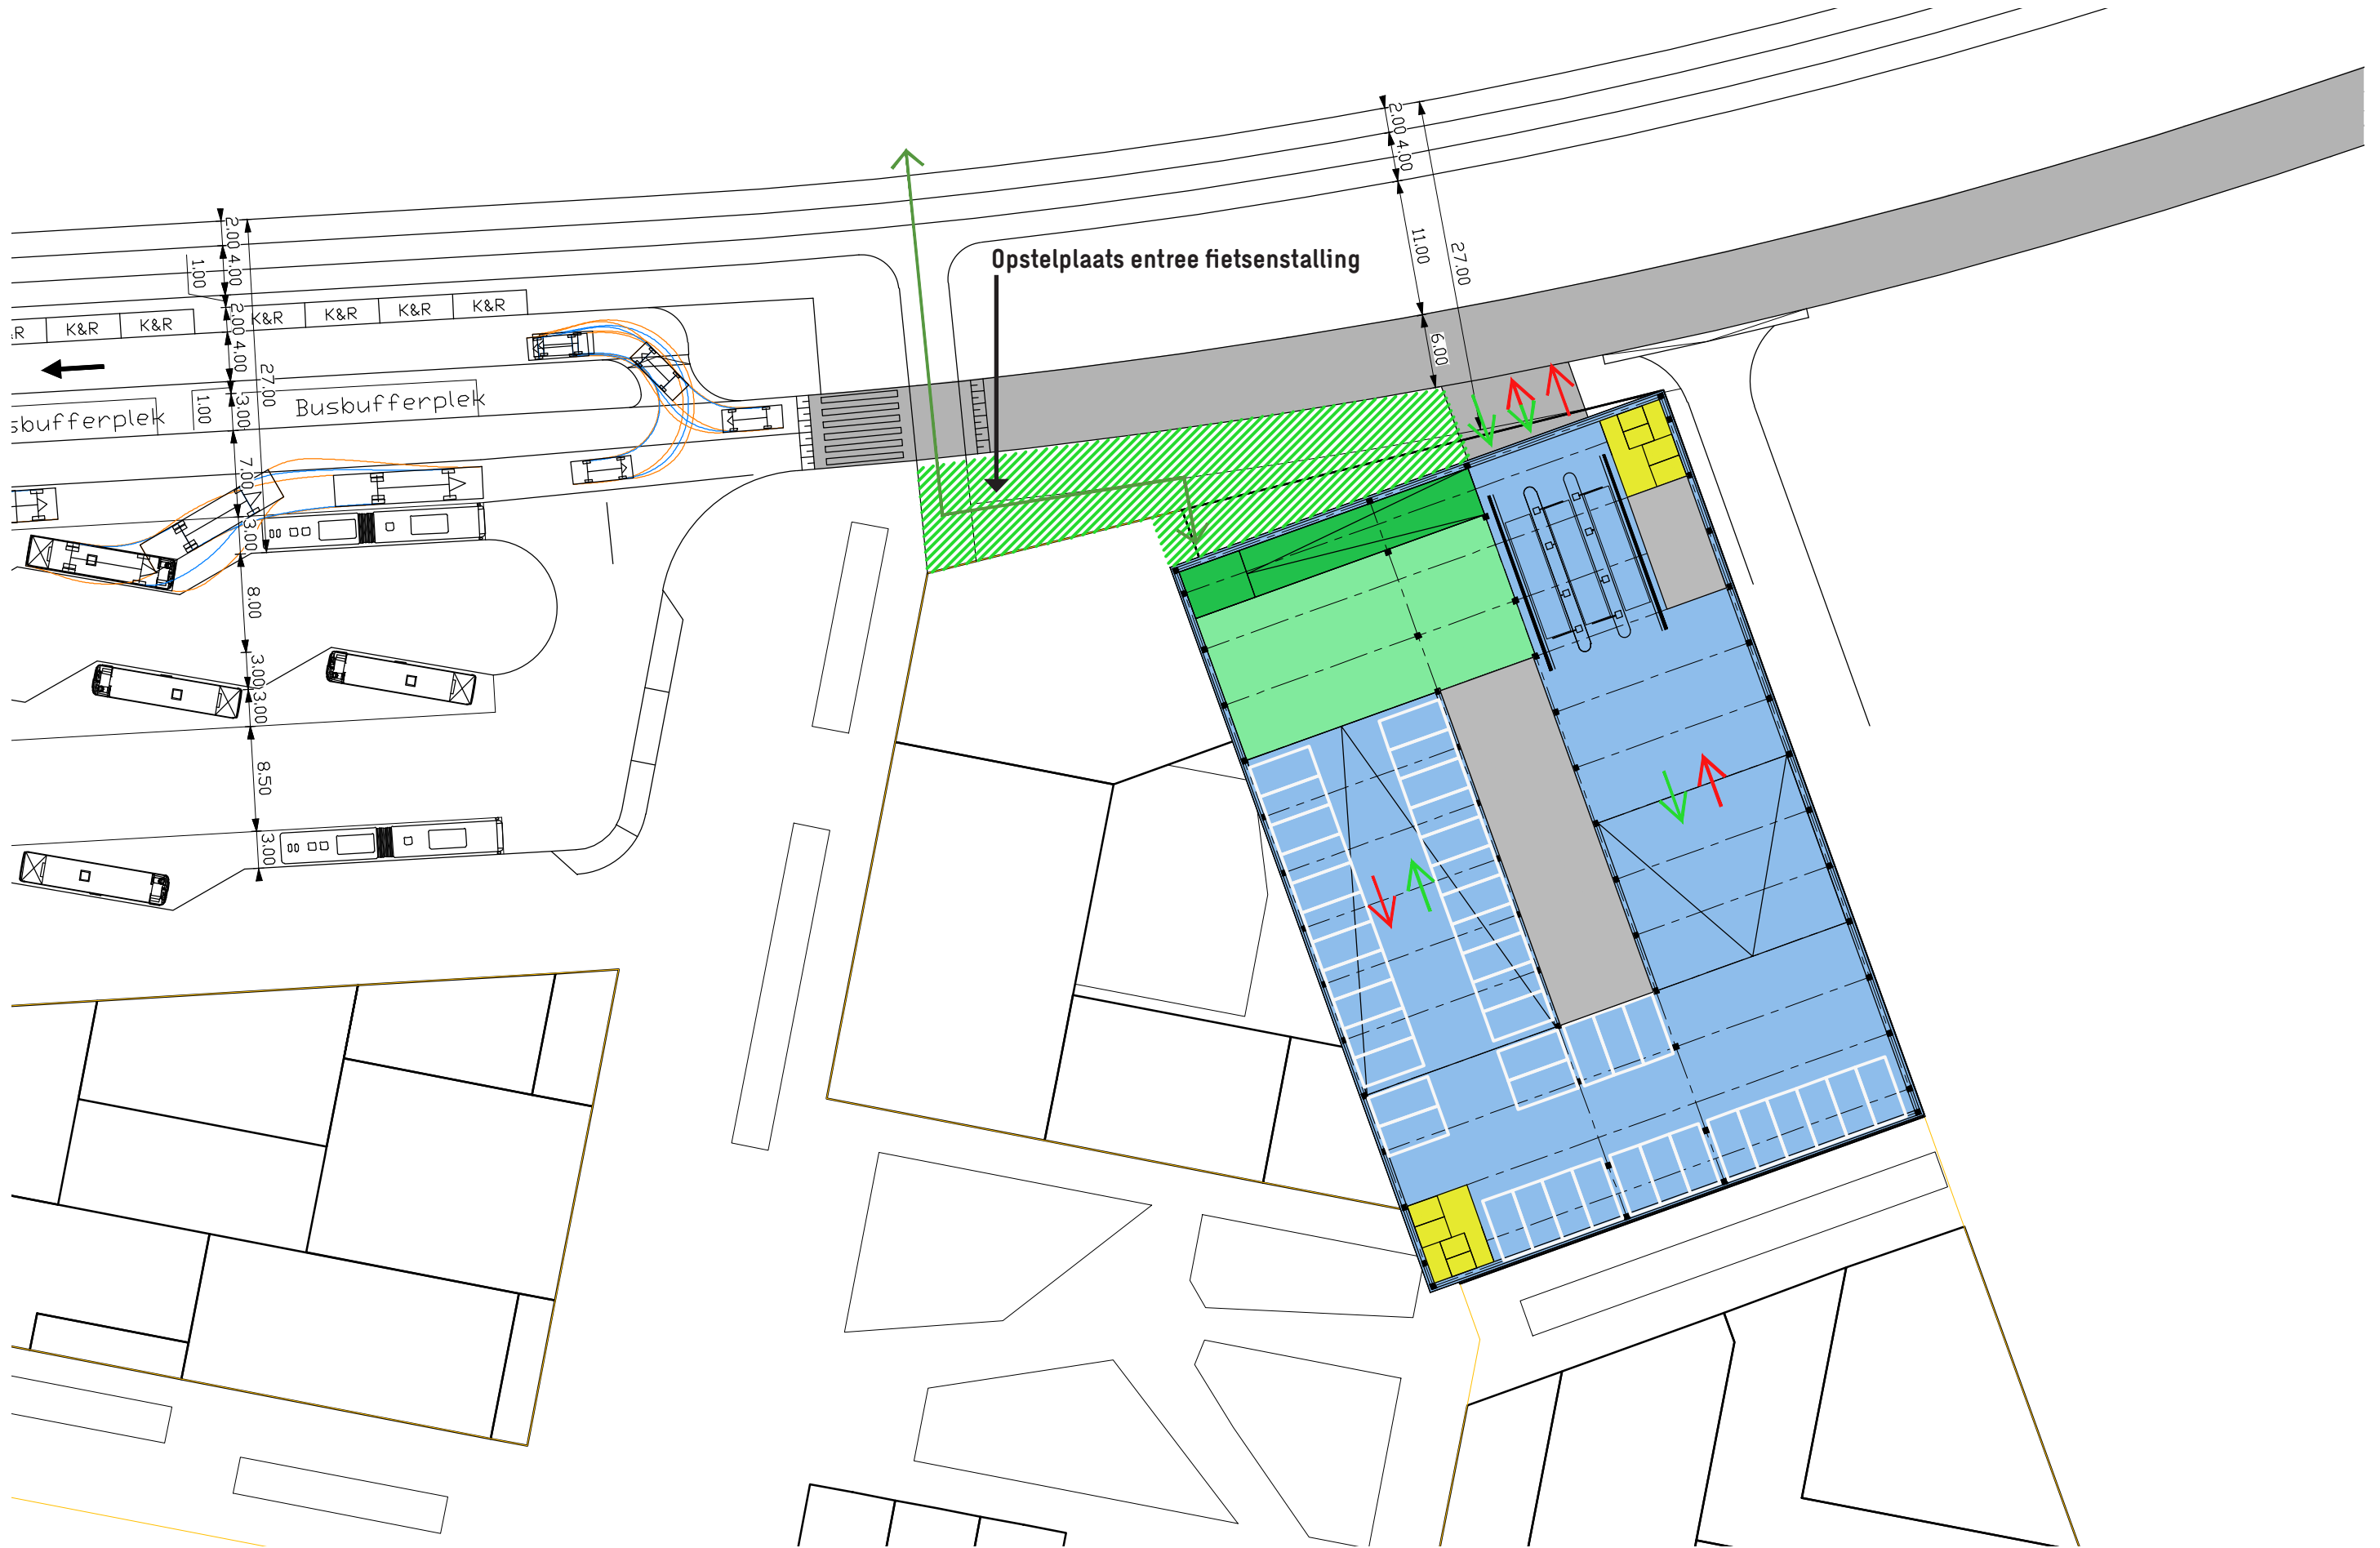

42,5 meter

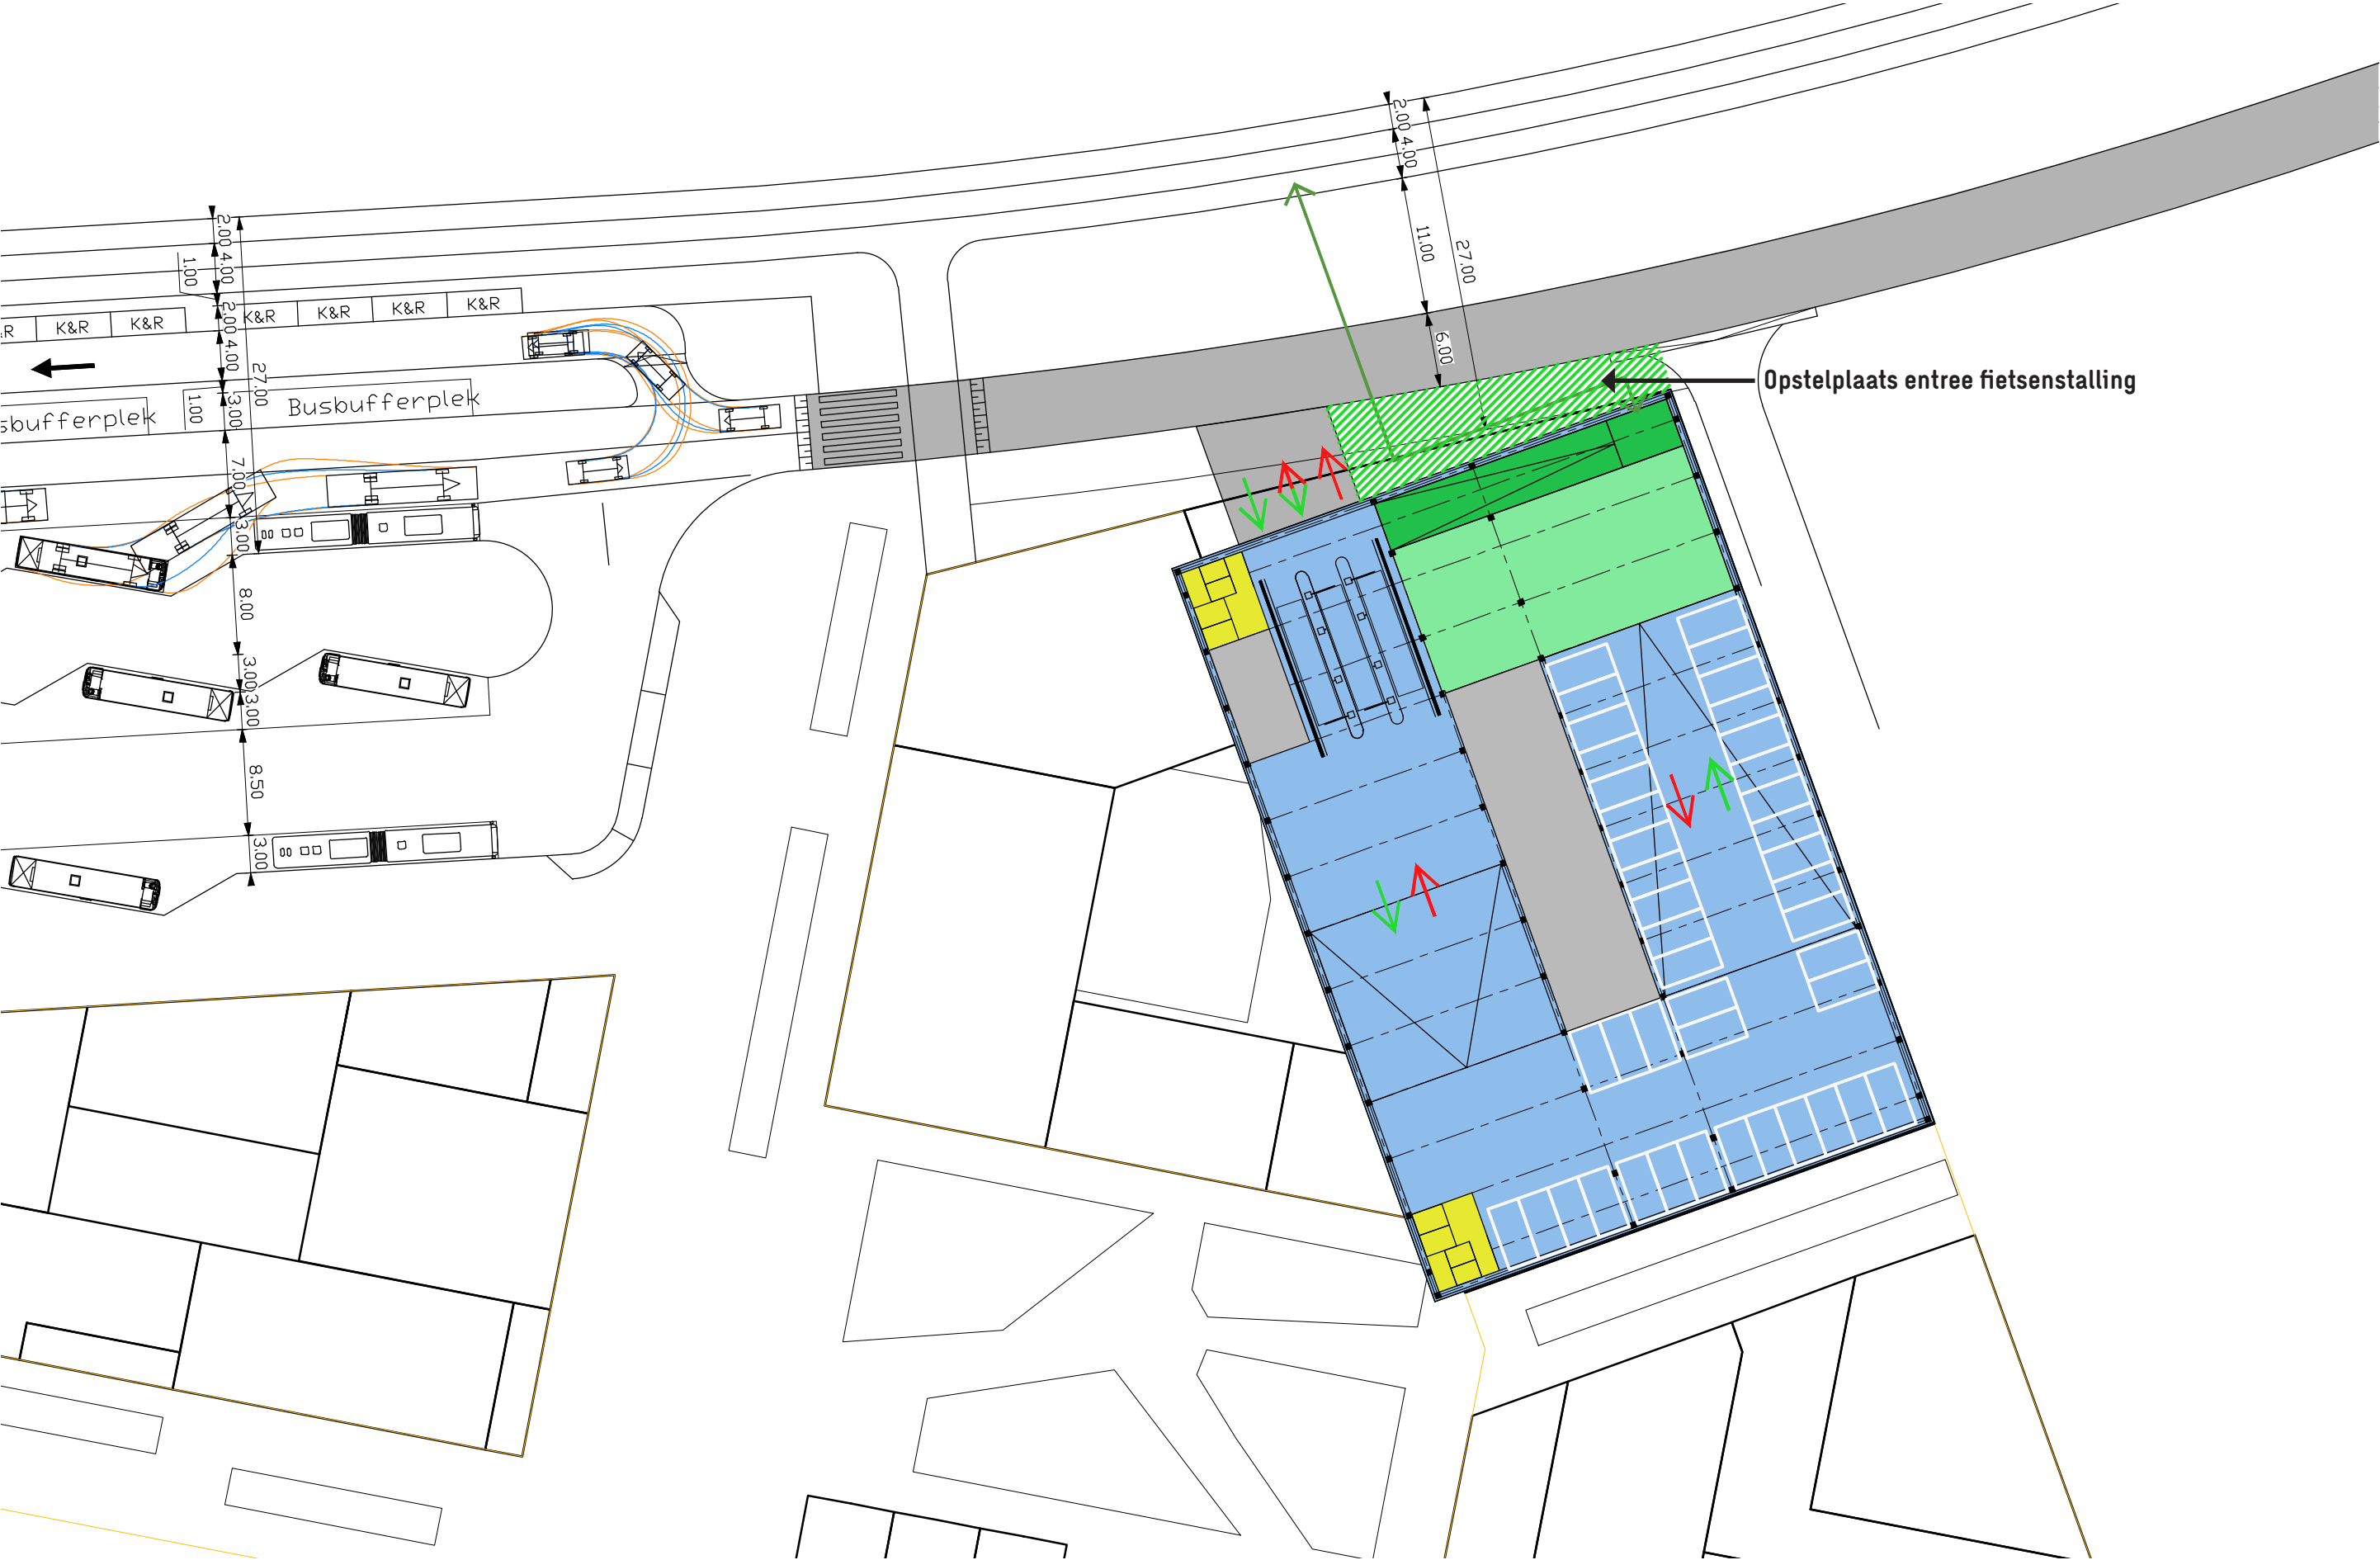

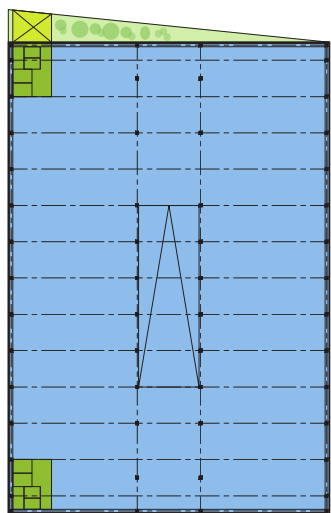

Mogelijkheid om trappenhuis en bijvoorbeeld 1e verdieping uit te bouwen tot in de rooilijn. Zo wordt de entree geaccentueerd en wordt de rooilijn gevolgd zonder op alle verdiepingen de plot uit te vullen. Op de begane grond ontstaat ruimte voor een comfortabele entreehal met betaalautomaten.
