

Access Rights Guidelines

Access Rights Guidelines:

This market consultation concerns critical infrastructure in the Netherlands. Preference will be given to market participants whose parent company is established within the European Economic Area (EEA) and whose data is not stored outside the EEA. To obtain access to the documents and participate in this market consultation, we ask you to follow the procedure below.

The market participant must submit the following documents via the TenderNed messaging module:

- Information concerning the parent company and data storage within the European Economic Area (EEA), including an extract from the Dutch Chamber of Commerce or similar (if applicable)
- A signed non-disclosure agreement (NDA) (see Appendix B)

Following submission, Enexis will assess the documents to investigate if the market participant can take part in this market consultation. Enexis reserves the right to exclude market participants in accordance with the applicable laws and regulations governing critical infrastructure. If the market participant is accepted, Enexis will share the market consultation documents with the market participant via the TenderNed messaging module.
