2. Procedure

2.1 Procedure

Title:	Bulk Continuous Filament (BCF) Extension Module for Existing FET 100 Melt Spinning Line
Description:	General Information Maastricht University (UM), the leading European university of the Netherlands, has nearly 22,000 students and 5,000 staff members. We are young, interdisciplinary, and committed to society, which is clearly visible in everything we do. Despite being relatively young, we have already built a strong reputation through our excellent research and education, and by connecting science with regional, European, and global challenges. We are among the best young universities in the world. Mission and Vision Maastricht University (UM) strives to enable students to become active, globally oriented citizens and critical thinkers. • UM is a diverse and inclusive academic community; we value different perspectives. • UM is a leading institution in the Euregio and distinguishes itself through innovative Problem-Based Learning and high-quality, socially relevant research. • We are the European University of the Netherlands. More information about UM can be found on the website www.maastrichtuniversity.nl. Reason for the Tender Maastricht University requires a false twist machien. Purpose and intended result of the Tender The purpose of this Tender is to enter into an Agreement with one party for a false twist machine. Need help?
