2.1 Procedure

Title:	Tender for a bilateral NL-UK quantum technology End-user engagement Programme
Description:	EZK has made funding available through the TechBridge programme to establish a targeted bilateral Netherlands–UK Quantum Technology End-User Engagement Programme. The Programme shall support a cohort of Quantum technology providers and End-users from the Netherlands and the United Kingdom. Other organisations, including research organisations, may also be involved in specific Programme activities where relevant. The Contractor shall design and deliver a coherent Programme tailored to the needs, capabilities and potential application opportunities of the Participating organisations. The Tenderer shall identify and define clear milestones for each phase of the Programme, specifying the key deliverables and conditions that must be met to enable progression to the subsequent phase. The Contracting Authority has set a maximum total contract value of EUR 413,223, excluding NL VAT but including (if applicable) the amount of any VAT and charges outside the EU and EUR 500,000, including NL VAT. This amount constitutes the maximum contract value under the Agreement and may not be exceeded. The maximum total price submitted by the Tenderer will be the maximum total value under the Contract.
