Maximum number of participants:	1
Justification for the duration of the framework agreement:	Pursuant to Article 2.140(3) of the Public Procurement Act 2012, a framework agreement may exceed the standard duration of four years if this is duly justified and substantiated. In this case, a 5-year duration is warranted due to the specific nature of the services, regarding the overall duration of the underlying programme. The assignment requires continuity of expertise and a seamless transition between the inception and execution phases, which form a single, integrated whole. A longer duration ensures implementation efficiency, cost-effectiveness, and avoids the administrative burden of repeated tendering procedures.
