###### II.1.3 The notice involves

A public contract

###### II.1.5 Short description of the contract or purchase(s)

Manufacture and supply (supply contract) of railway vehicles for the operation of railway services in public passenger traffic on tracks Zwolle – Enschede and Zwolle – Kampen. Only new vehicles “direct from the manufacturer” will be considered: electrically driven, multiple-unit trainsets (EMU). The trainsets must in particular fulfill the requirements and network access criteria of Prorail as well as the homologation criteria for passenger rail vehicles in The Netherlands, stated by ILT. The scope of the contracts can vary depending upon the requirements of the contracting entity, ranging between approx. 15 and 25 trainsets per order in different configurations. The trainsets must be homologated and ready for operation in The Netherlands on November 1st, 2017. It is possible that the contracting entity may transfer its rights and obligations from the supply to a leasing or financing provider or that these rights and obligations will be directly taken over by the leasing or financing provider. Please see the Selection Guidelines.
