

Announcement regarding information meeting tender

We would like to inform all interested parties that that soon after the publication of the tender on the Tendered.nl and TED, we will organize a public information meeting which will take place on 1st of July 2016 at or near Schiphol from 10.00 AM till 12.00 AM.

The target audience are companies wanting to participate in the Proof of Ability for Radar tracking systems (VTS). Two persons per company will be welcome to participate in this.

Please mark this date on your calendar. In the next publication You will find further information on how to apply to participate in this meeting.
